A non-stop South Road

November 2026

T2D → TORRENS TO DARLINGTON

Temporary South Road weekend closures

The River Torrens to Darlington (T2D) Project is South Australia's largest infrastructure project and will create a non-stop South Road between Gawler and Old Noarlunga.

What's happening

Major temporary traffic changes and road closures are planned along sections of South Road from 20 to 23 November, with detours in place, as part of utility relocation works.

These temporary closures include:

- South Road between Sir Donald Bradman Drive and James Congdon Drive
- South Road between Anzac Highway and the tramline, and
- For northbound traffic only on South Road, north of the Brickworks Marketplace, with access via James Congdon Drive or Marion Road

These works have been scheduled concurrently to enable major construction activities to be completed over the weekend when traffic volumes are lower, reducing impacts on road users and minimising disruption across multiple weekends.

Access to local businesses along South Road will be maintained and we encourage you to continue to support local businesses.

When

8pm Friday 20 November -
6am Monday 23 November 2026

How this affects you

Expect major traffic changes and road closures along South Road. Traffic impacts will extend beyond the works area and may affect surrounding roads.

Detours are in place. Follow the signs.

Pedestrian and cycling routes may be changed. Check detour maps overleaf and always follow the signs and cross at marked crossings.

Bus detours will be required during these works. Scan the QR code for more information.

Published November 2026

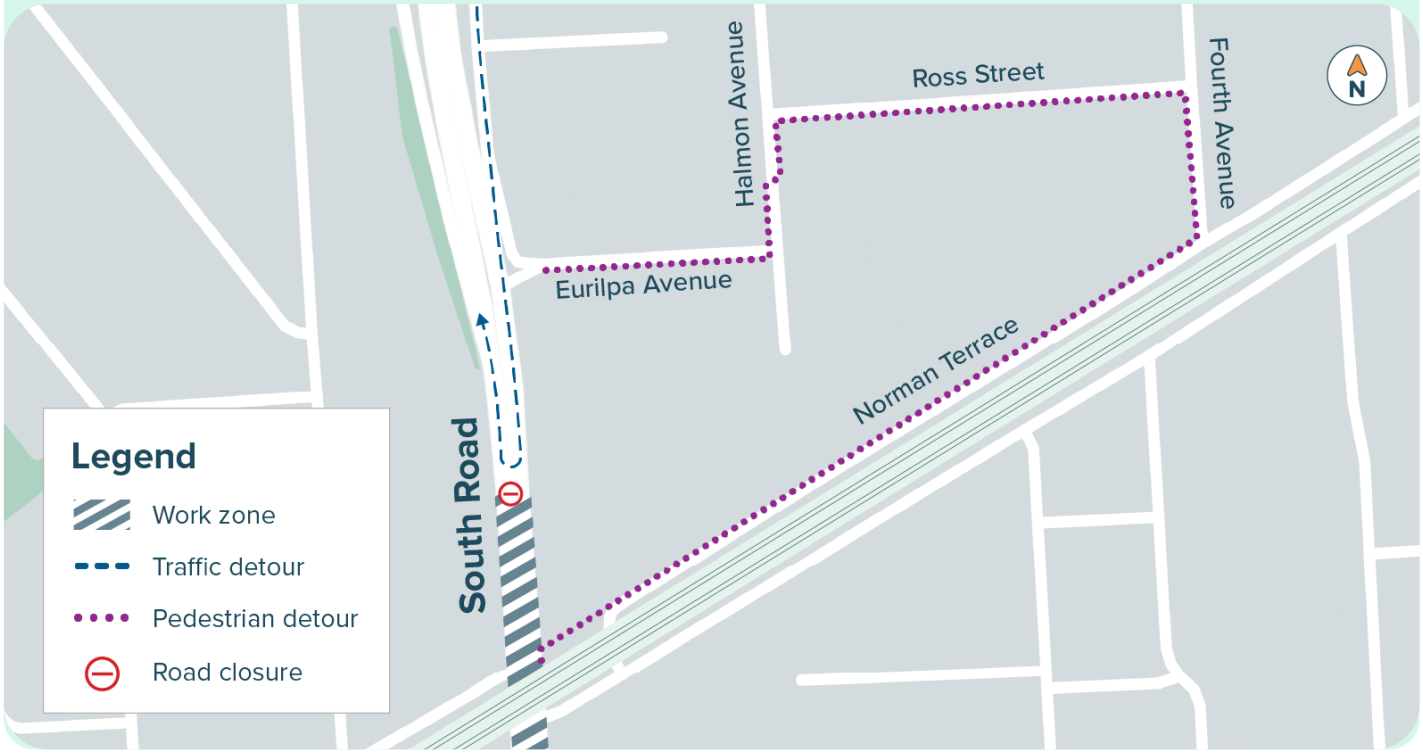
The $15.4 billion River Torrens to Darlington (T2D) Project is funded by the Australian and South Australian governments and is being delivered by the T2D Alliance.

South Road temporary weekend closures

The below sections of South Road that will be closed from 8pm Friday 20 to 6am Monday 23 November 2026.

Pedestrian detour from tramline heading north

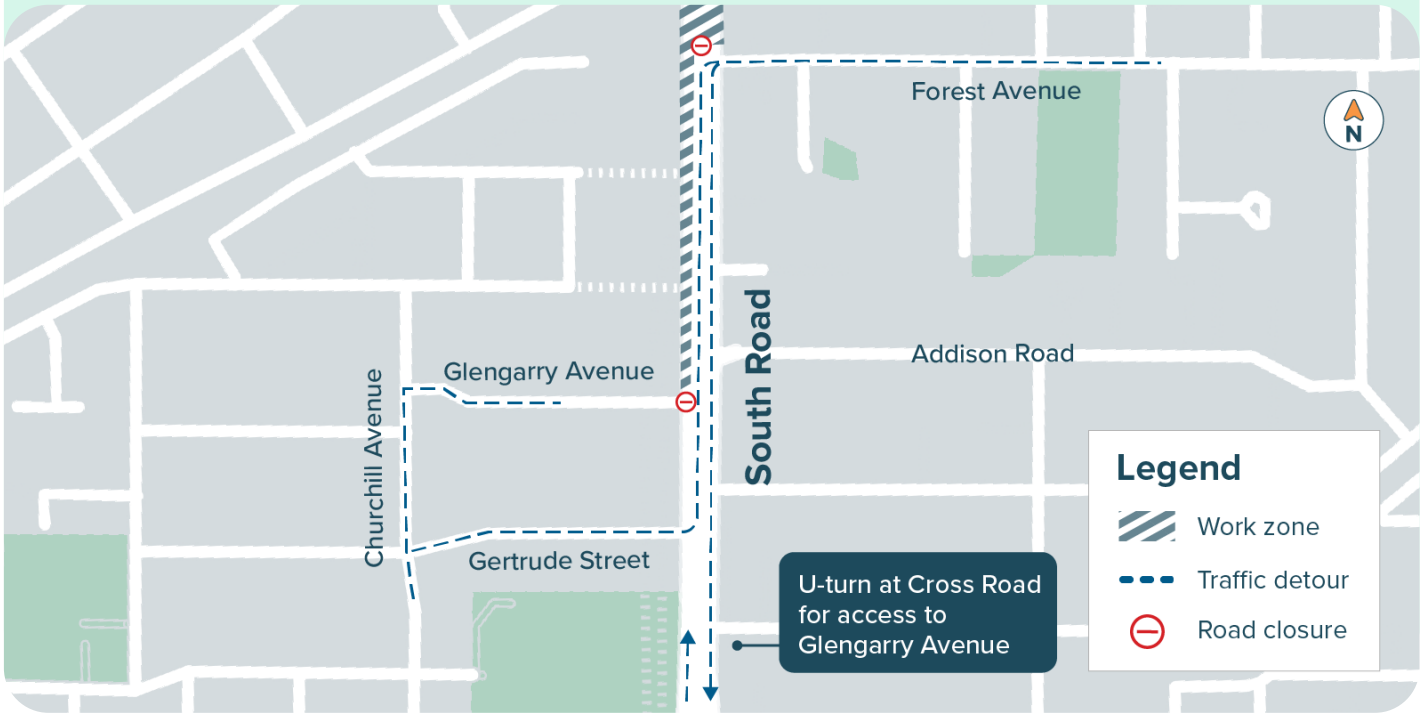
Pedestrians heading north from the tramline will need to use Norman Terrace, Fourth Avenue, Ross Street, Halmon Avenue and Eurilpa Street.



Access to Glengarry Avenue

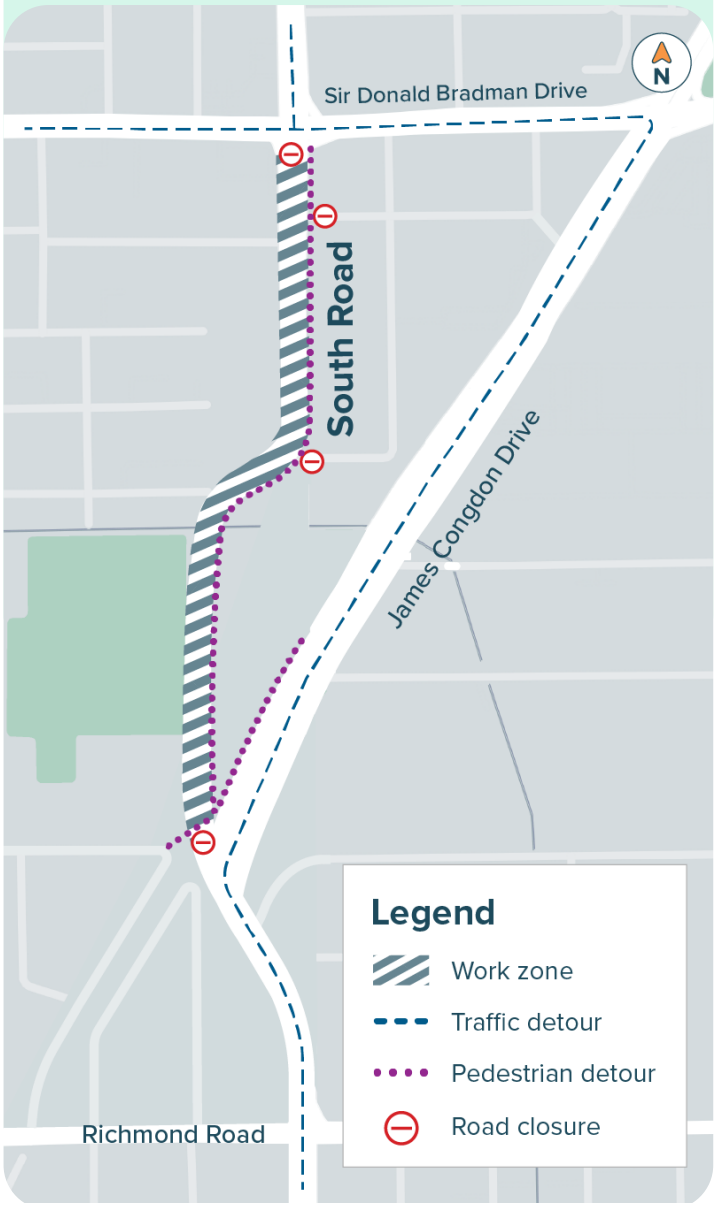
There is no access to Glengarry Avenue from South Road. Access to Glengarry Avenue at South Road will be closed, with access via Gertrude Street and Churchill Avenue.

Vehicle traffic on South Road will be reduced to one lane in each direction. Follow directions.



Sir Donald Bradman to James Congdon Drive

Pedestrian access to businesses on South Road will be maintained.



Northbound closure at Ashwin Parade

Drivers heading north beyond Ashwin Parade will use George Street to Port Road.

Pedestrians to use the crossing at Walter Avenue.
