Coniston Station

What work are we doing?

We are completing overhead wiring work at Coniston.

Where we'll be working?

We will be working within the rail corridor at Coniston.

What will this mean for you?

You may notice:

- workers and vehicles
- traffic controllers and signage
- noise from machinery and equipment.

Managing our impacts

We understand construction activities may cause disruption to our closest neighbours, so every effort will be made to minimise the impacts where possible, including:

- turning off equipment when not in use and using non-tonal reversing alarms to reduce potential noise impacts
- locating equipment as far away from residents and businesses as possible
- directing lighting away from residents
- conducting on-site monitoring to enable compliance with strict environmental conditions relating to noise, vibration and dust management.
