

Burleigh works: Step four

Connor Street to West Burleigh Road, Burleigh Heads

Step four works in the Burleigh Heads business centre will commence from Tuesday 3 October 2023. A work area will be established in the northbound lanes of the Gold Coast Highway between Connor Street and West Burleigh Road, Burleigh Heads.

What to expect

Phase 1 - Site establishment

- Establish a construction zone with fencing and barriers in the northbound lanes of the Gold Coast Highway between Connor Street and West Burleigh Road, Burleigh Heads (see map overleaf)
- Night works will continue from **3 October for up to two weeks** to complete the centre median removal and site establishment works
- Nearby businesses and residents will experience periods of high noise while we complete the centre median removal, remove the existing line marking with high pressure water and install asphalt.

Phase 2 – Utilities and Phase 3 - Road works

- Existing utilities, need to be relocated, upgraded and in some instances, new services installed
- Utilities to be relocated include water, gas, sewerage, electricity, communication cables, stormwater drainage and signal cables
- Construction of new roads, kerbs, footpaths
- Increase in noise and vibration associated with the use of heavy machinery including saw-cutting, jack hammering, concrete works, non-destructive digging and installing utility infrastructure.

Traffic changes

- On-street parking will be removed
- Connor Street will become one-way onto the Gold Coast Highway between James Street and Gold Coast Highway, to improve local traffic flow.

- The right turn onto Connor Street will remain closed for the duration of construction (see map overleaf)
- Bus stop relocations and closures on the northbound and southbound carriageways. For up-to-date information on bus stop closures go to www.translink.com.au.

Timing

Day works from Monday 16 October to early-2024, between 6.30am to 6.30pm, Monday to Saturday

Night works from Tuesday 3 October for two weeks between 6.30pm to 6.30am, Sunday night to Friday morning.

Additional night works will be required at times. Advance notification will be provided via email updates.

No works will occur on public holidays unless otherwise notified.
