

# Weekend work and temporary traffic changes in April 2025 in Cammeray & Neutral Bay

## Warringah Freeway Upgrade

April 2025

Transport for NSW acknowledges the Cammeraygal people of the Eora nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

We are simplifying the Warringah Freeway, making it safer and easier to use, and more efficient and reliable for the benefit of all road users, including public transport users.

Over two weekends in April, we will be working along the freeway in Cammeray and Neutral Bay. This work includes work over the Easter long weekend when traffic volumes are lower. We work over weekends to speed up the work program and reduce our overall impact to the surrounding community.

### What are we doing?

#### Work on the northbound and reversible lanes on the freeway between Miller Street and Falcon Street

From 10pm Friday 11 April to 6pm Sunday 13 April 2025, we will be working between Miller Street, Cammeray and Falcon Street, Neutral Bay.

We will be:

- realigning lanes
- asphaltting and line marking
- installing barriers and light poles.

#### Northbound closures for the Falcon Street shared user bridge work

From 10pm on Friday 11 April, the existing Falcon Street shared user bridge will be closed for approximately 14 weeks. During this closure, we will dismantle the existing bridge and work will continue to complete the new shared user bridge.

From 10pm Thursday 17 April work will take place between Falcon Street and Ernest Street, Cammeray, to safely remove the old bridge structure.

We will be:

- setting up traffic controls and safety barriers
- setting up and dismantling cranes
- saw cutting of the existing structure
- removing the existing shared user bridge in two crane lifts.

#### Where

Warringah Freeway between Falcon Street and Miller Street, including at the Falcon Street shared user bridge next to Jeaffreson Jackson Reserve

#### When

Weekends:

10pm Friday 11 April to 6pm Sunday 13 April 2025

10pm Thursday 17 April to 5am Monday 21 April 2025

#### Work on the new Falcon Street bus ramp

From 10pm Friday 11 April to 6pm Sunday 13 April we will be working on the new Falcon Street bus ramp.

We will be:

- installing barriers and panels on the ramp.

Over the Easter long weekend, from 10pm Thursday 17 April to 5am Monday 21 April 2025, we will be 'stitching' the Falcon Street road bridge to the new Falcon Street southbound bus on ramp. This will be done by pouring concrete along the joint between the southern side of Falcon Street road bridge and the new bus on ramp.

We will be:

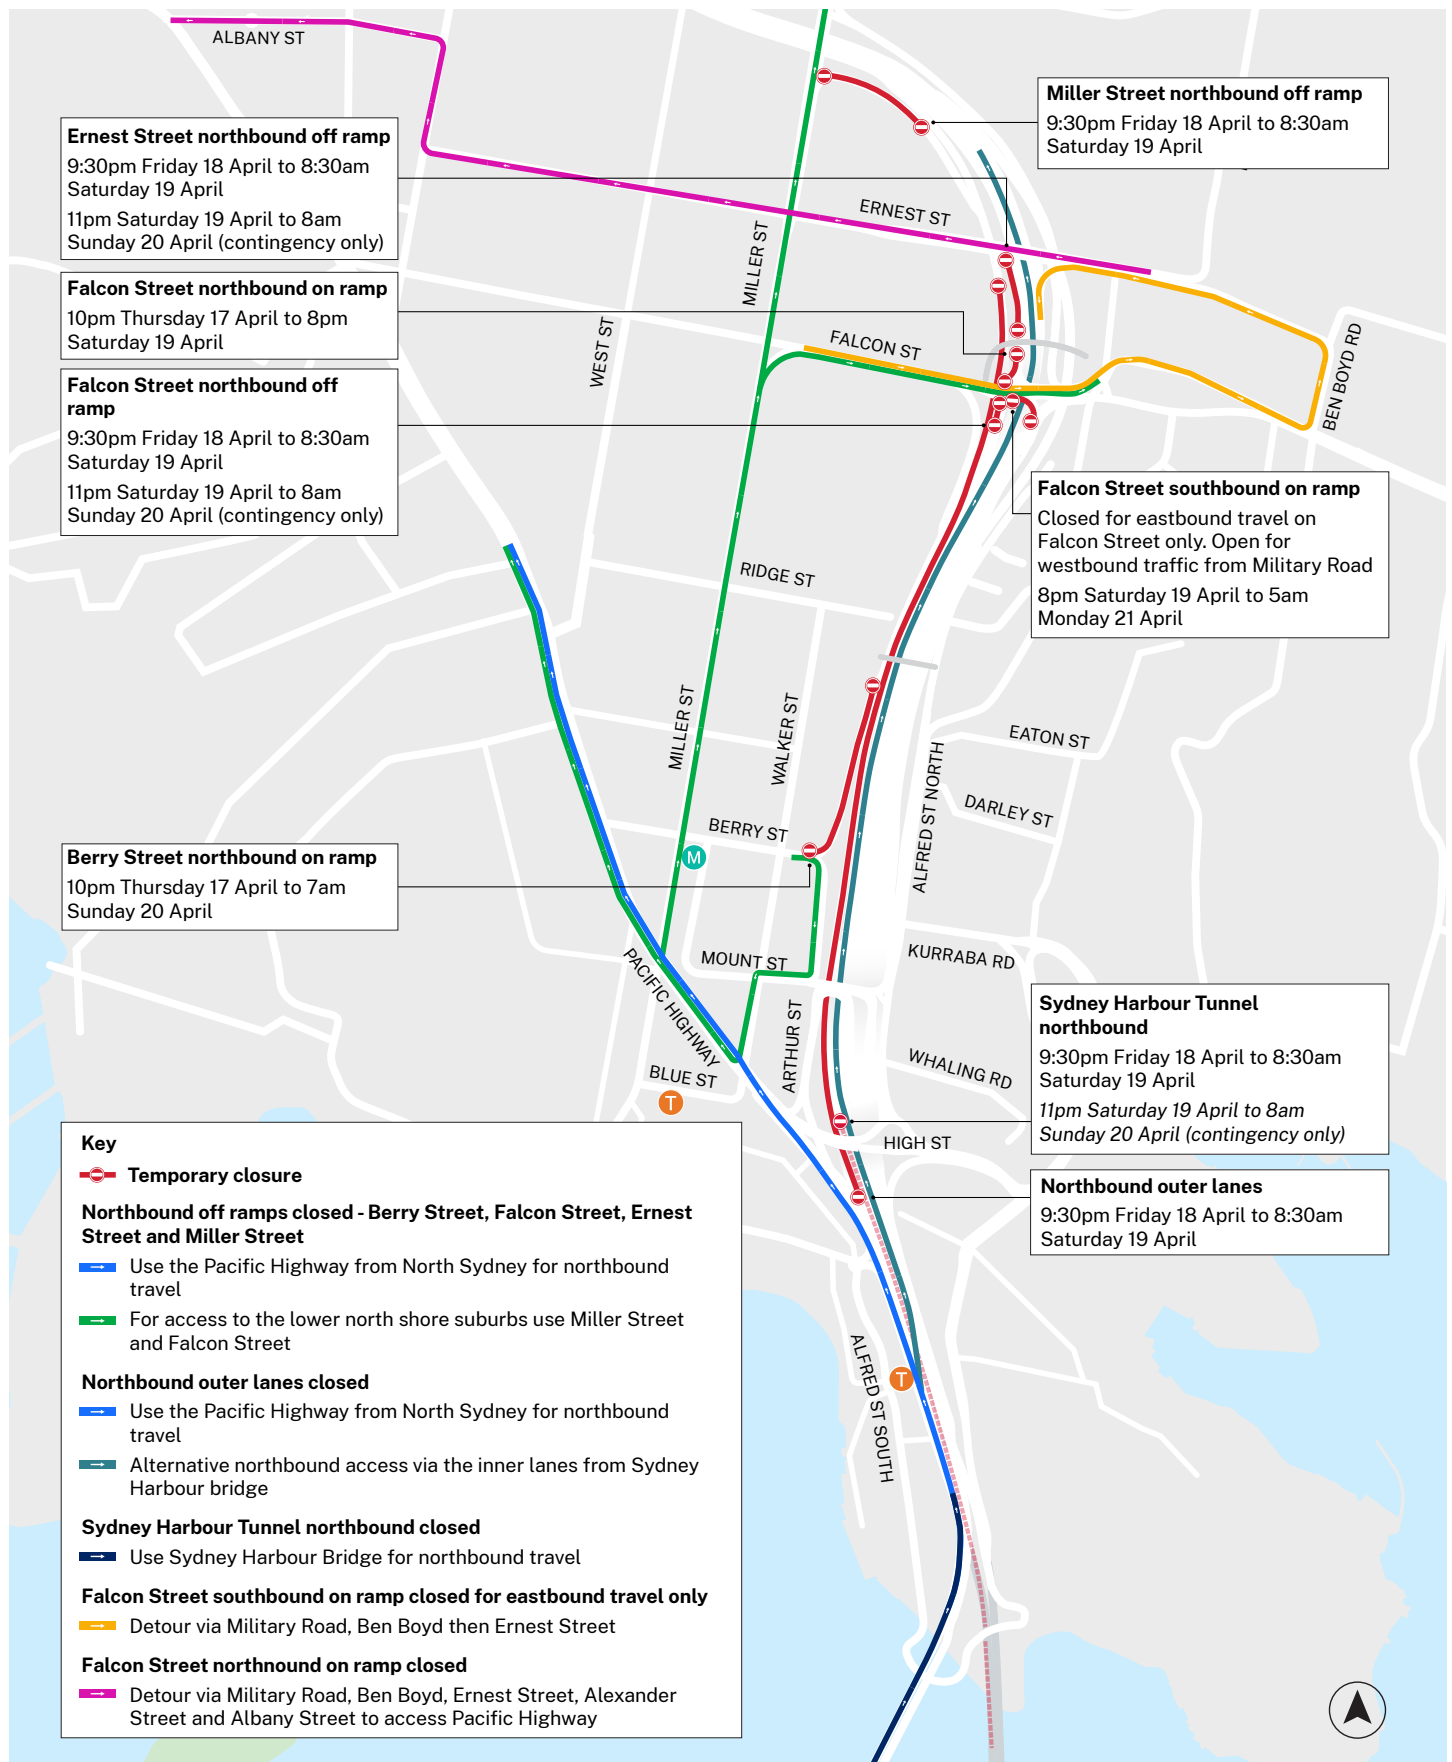

- setting up traffic controls and safety barriers
- pouring concrete to connect the Falcon Street bus on ramp to the traffic lanes.

The concrete needs time to completely set before vehicles can use the lanes next to it. Extended lane closures westbound along Falcon Street must remain in place over the weekend.

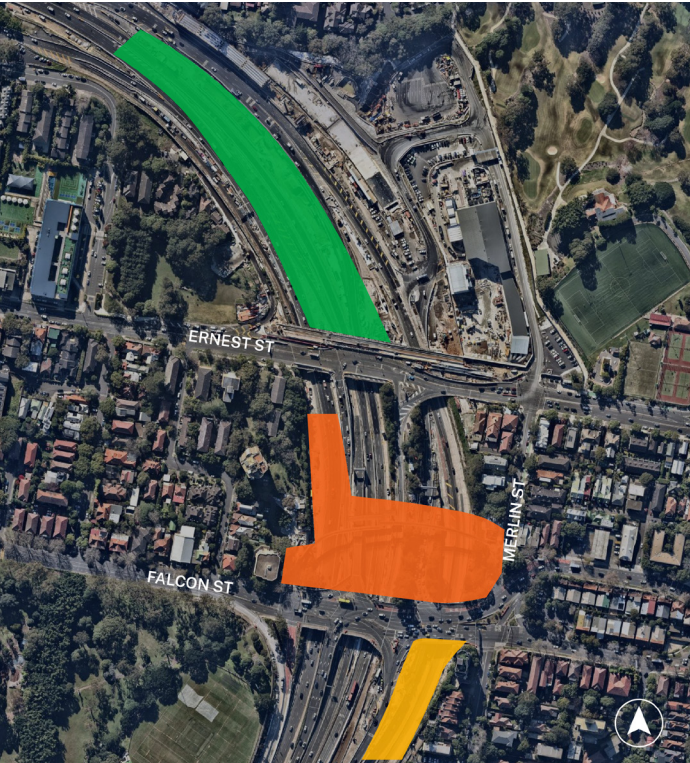

## Temporary Easter long weekend traffic changes

We will set up multiple temporary lane and ramp closures along the freeway and on adjacent streets during the weekend work. Please plan ahead and allow extra travel time and follow the direction of traffic control. Visit [LiveTraffic.com](https://www.live-traffic.com) for the latest traffic updates.

Map 1: Temporary traffic detours in place from 10pm Thursday April to 5am Monday 21 April 2025 (Easter 2025 long weekend).

Where are we working?

Map 2: Weekend work areas

Area	Date	Work location	Work Activities
	10pm Friday 11 April to 6pm Sunday 13 April	The reversible and northbound lanes of the freeway between Ernest Street and Miller Street	Lane realignment, asphaltting, line marking, installing barriers and light poles
	10pm Friday 11 April to 6pm Sunday 13 April  10pm Thursday 17 April to 6pm Monday 21 April  (Contingency finishing time 8am Sunday 20 April)	Falcon Street shared user bridge	Setting up and dismantling a crane, saw cutting, dismantling the shared user bridge, demolishing a bridge pier and removing vegetation
	10pm Friday 11 April to 6pm Sunday 13 April  8:30am Saturday 19 April to 5am Monday 21 April	Falcon Street southbound bus on ramp	Pouring concrete and installing barriers and panels

Table 1: weekend work locations and activities.

Managing our impacts

Some of the work activities will require the use of machinery that generates noise, light, and vibration. We implement extensive controls to ensure any noise impacts are mitigated as much as possible.

Some of the work activities will require the use of machinery that generates noise, light, and vibration. We implement extensive controls to ensure any noise impacts are mitigated as much as possible.

To minimise the impact of this work we will:

- turn off machinery when not in use
- use acoustic blankets to minimise noise, where practicable
- direct temporary lighting down and away from properties
- fit equipment with devices to minimise noise, particularly non-tonal reversing beepers.

To carry out work on three consecutive nights, we have temporarily altered the standard out of hours work schedule permitted under our Environmental Protection Licence (EPL). We will not exceed working 10 nights per month. The standard EPL condition permits us to work up to three nights per week and up to 10 nights per month with no more than two consecutive nights of high-noise work.

We welcome your feedback on the upcoming work. If you have any comments you would like to provide on the planned work, or if you have personal circumstances you need to discuss with us, we would like to hear from you. You can contact us at **1800 931 189** or by emailing [whtbl@transport.nsw.gov.au](mailto:whtbl@transport.nsw.gov.au).

For more information on how we manage and mitigate noise, please reference our 'Managing Construction Noise' fact sheet, available online at [nswroads.work/wfuportal](https://nswroads.work/wfuportal).

More information on the temporary Falcon Street shared user bridge closure is available online at [nswroads.work/wfuportal](https://nswroads.work/wfuportal) or scan the QR code.

Due to lane closures on Falcon Street, significant queuing along Military Road, westbound, is expected for motorists and bus passengers from 8pm Saturday 19 April to midday Monday.

## Temporary weekend traffic changes

Date/Time	Traffic change	Advice for motorists
10pm Friday 11 April to 6am Saturday 12 April 10pm Saturday 12 April to 6am Sunday 13 April	Reversible lanes closed	Use the southbound inner lanes
10pm Saturday 12 April to 6am Sunday 13 April	Southbound inner lanes closed	Use the southbound outer lanes
10pm Thursday 17 April to 7am Sunday 20 April	Berry Street northbound on ramp closed	Use the Pacific Highway or Miller Street, North Sydney for northbound travel.
10pm Thursday 17 April to 8pm Saturday 19 April	Falcon Street northbound on ramp closed	Use the Pacific Highway or Miller Street, North Sydney for northbound travel.
9:30pm Friday 18 April to 8:30am Saturday 19 April 11pm Saturday 19 April to 8am Sunday 20 April (contingency only for Ernest Street northbound off ramp)	Northbound outer lanes full closure Falcon Street northbound off ramp closed Ernest Street northbound off ramp closed Miller Street northbound off ramp closed	Use the Pacific Highway from North Sydney for northbound travel. One northbound inner lane will be open. Use lane 4 on the Sydney Harbour Bridge for northbound travel to the Brook Street and Willoughby Road northbound off ramps, as well as the Gore Hill Freeway and Lane Cove Tunnel.
	Sydney Harbour Tunnel northbound closed	Use the Sydney Harbour Bridge and Pacific Highway for northbound travel One northbound inner lane on the freeway will be open. Use lane 4 on the Sydney Harbour Bridge for northbound travel to the Brook Street and Willoughby Road northbound off ramps, as well as the Gore Hill Freeway and Lane Cove Tunnel.
8pm Saturday 19 April to 5am Monday 21 April	Lane reductions on Falcon Street westbound from Bent Street to the Falcon Street southbound on ramp	Please expect delays on Military Road travelling towards Falcon Street, Warringah Freeway and Crows Nest
	No entry to Falcon Street southbound on ramp from Falcon Street travelling eastbound	Use Miller Street southbound, Berry Street and Mount Street southbound on ramp for access to the Sydney Harbour Bridge
11pm Saturday 19 April to 8am Sunday 20 April	Sydney Harbour Tunnel northbound closed (contingency only)	Use the Sydney Harbour Bridge and Pacific Highway for northbound travel
