BUILDING OUR FUTURE

M1 Pacific Motorway extension to Raymond Terrace

Environmental Impact Statement
July 2021

You are invited to make a submission on the M1 Pacific Motorway extension to Raymond Terrace Environmental Impact Statement (EIS).

The Australian and NSW governments have committed \$2 billion to deliver the M1 Pacific Motorway extension to Raymond Terrace and Hexham Straight projects. The extension would boost the regional economy and improve connectivity, road transport efficiency and safety for local and interstate motorists.

An EIS has been developed and outlines the key features of the project and assesses its potential environmental, social and economic impact during construction and operation. Department of Planning, Industry and Environment (DPIE) has placed the EIS on public exhibition.

This postcard contains information on how to make a formal submission to DPIE.

Anyone can make a submission about the project from
Wednesday 28 July until midnight on Tuesday 24 August.
