

Upcoming weekend work and Temporary traffic changes, North Sydney & Neutral Bay

Warringah Freeway Upgrade
July 2025

Transport for NSW acknowledges the Cammeraygal people of the Eora nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

We are simplifying the Warringah Freeway, making it safer and easier to use, and more efficient and reliable for the benefit of all road users, including public transport users.

In **August 2025**, we will be continuing consecutive weekend day and night work along the freeway and intersections in North Sydney and Neutral Bay, to speed up the work programme and reduce our overall impact to the surrounding community.

Please refer to **map 1 and table 1 on page 2** for more information about the work areas and work activities taking place in August 2025.

Scan and plan

Scan the QR code to view our dedicated weekend work page and stay up to date with the latest information about our weekend work and temporary traffic changes. We will update this page regularly as we progress with any changes to the work, traffic arrangements and road closures.

Throughout the above weekends, multiple ramp and lane closures will be in place in North Sydney and Neutral Bay. Motorists are advised to expect delays, plan ahead and allow additional travel time.

Where

Mount Street bridge, Mount Street underpass, Mount Street eastern ramp, Alfred Street North, Arthur Street and High Street intersection, High Street bridge, Berry Street on ramp, Pacific Highway, Military Road off ramp, and Warringah Freeway northbound and southbound lanes between Lavender Street and Falcon Street

When

10pm Friday 1 August to 6pm Sunday 3 August 2025

10pm Friday 15 August to 6pm Sunday 17 August 2025

High noise impacts and potential vibrations are expected during the upcoming weekend work. The exact impacts will depend on the proximity of your property to the work area. High noise work includes saw-cutting, rock-breaking, hammering, piling, demolition, road pavement work.

Sydney Marathon – Sunday 31 August 2025

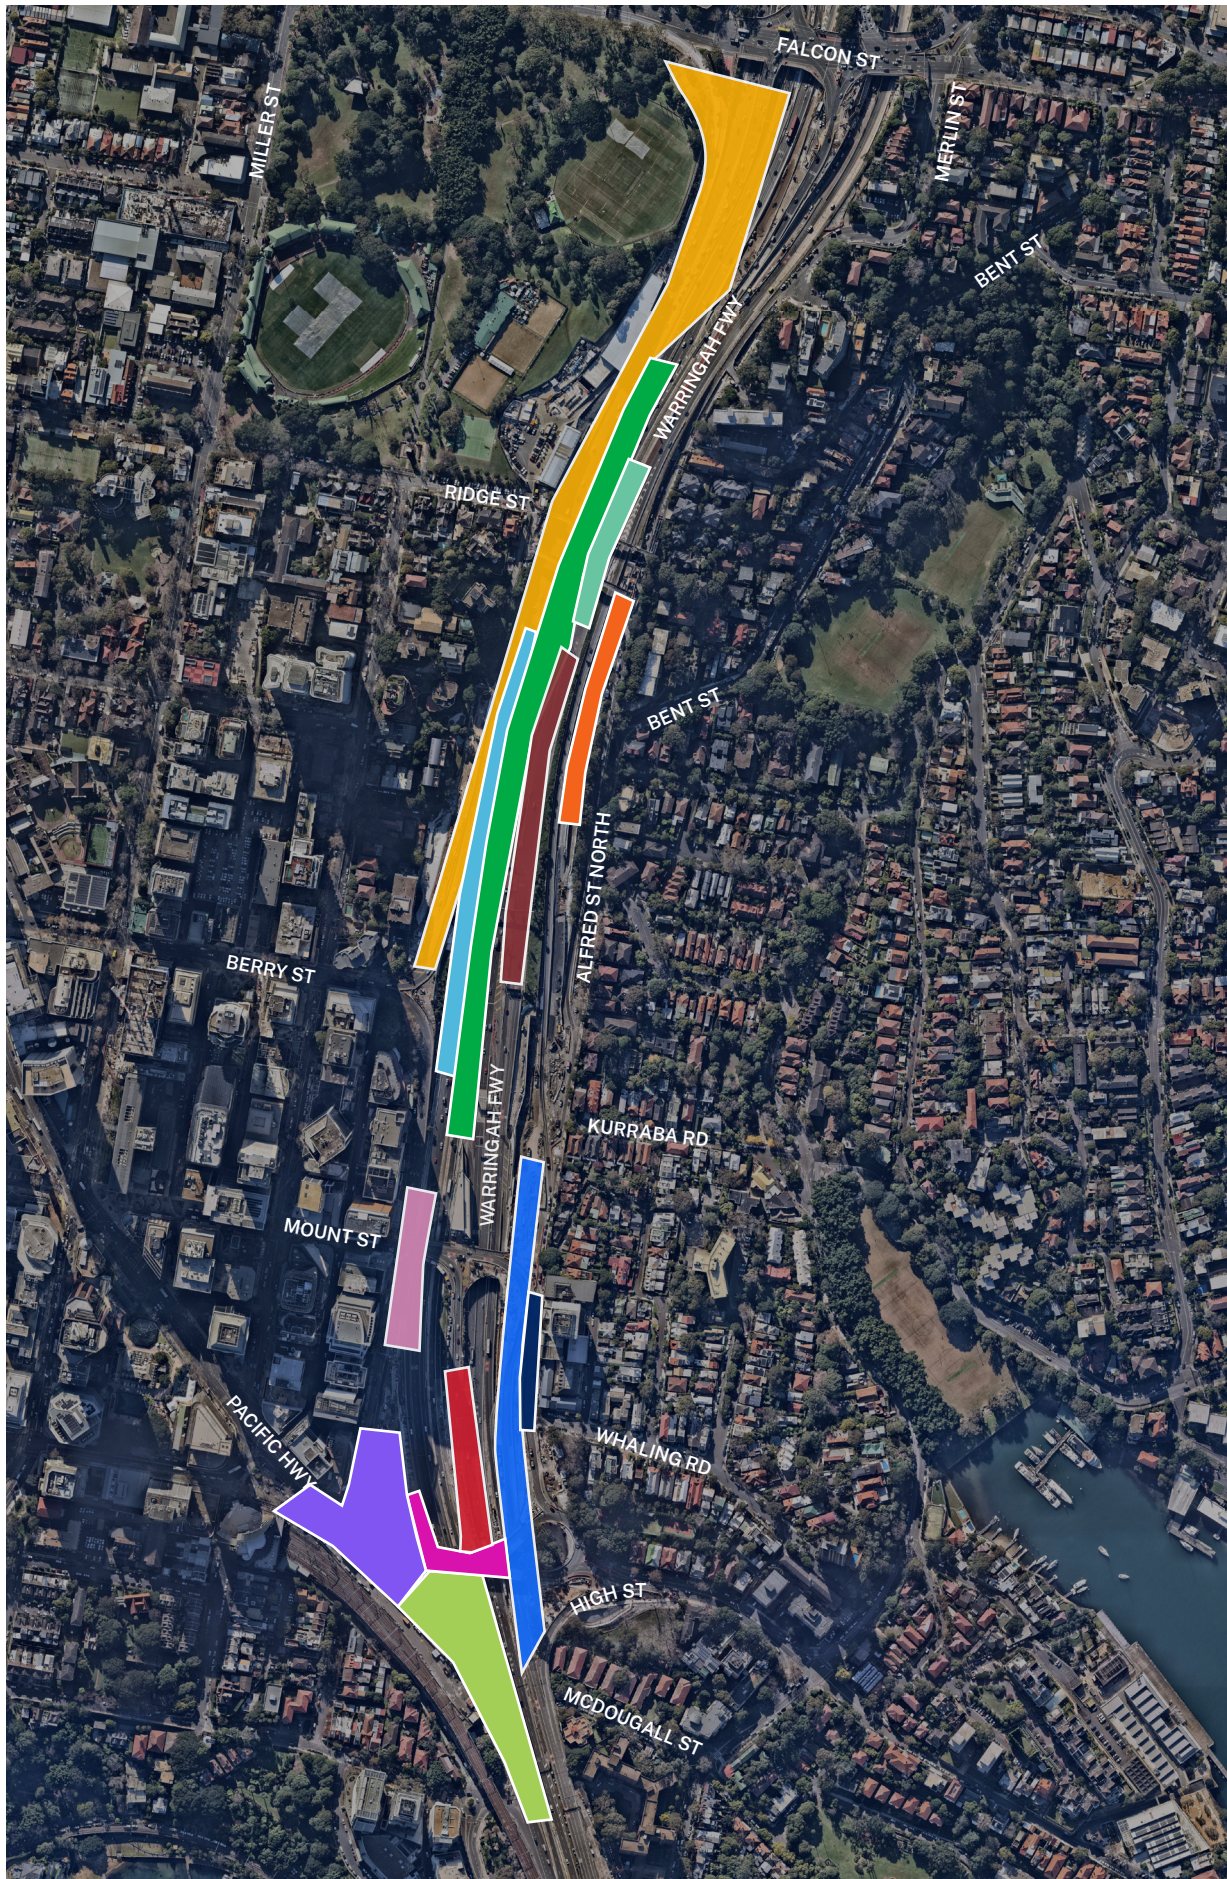

Major roads in North Sydney, the City and South East will close on **Sunday 31 August 2025** for the Sydney Marathon.

The Sydney Harbour Bridge and Western Distributor will close from 3am to 11am, while roads in North Sydney will close between 2am and 12pm. The Sydney Harbour Tunnel remains open. Other major roads from the city to Kingsford will be closed between 3am and 4pm. Delays are expected in the Eastern Distributor while nearby roads in Kensington and Kingsford are closed. Special event clearway parking restrictions will also be in effect.

Motorists are urged to plan ahead and avoid unnecessary travel as significant detours will be in place and delays are expected. For more details including maps, visit transportnsw.info/sydney-marathon.

What work are we doing?

Map: Night work activities from 10pm Friday 1 August to 6pm Sunday 3 August 2025, and 10pm Friday 15 August to 6pm Sunday 17 August 2025.

Area	Work location	Work activities	Work date
	High Street and Arthur Street intersection	Pavement removal and installation work, trenching, drainage installation, concrete installation, asphalt installation, linemarking installation, excavating, hammering, sawcutting, surveying, backfilling and compacting	10pm Friday 15 August to 6pm Sunday 17 August 2025
	Mount Street bridge, Mount Street retaining walls and underpass, and Mount Street eastern ramp	Excavating, hammering, sawcutting, pavement installation, concrete installation, asphalt installation, Intelligent Transport Systems (ITS) installation, barrier installation, streetlight installation, median removal and installation, utility installation work, protection wall installation work, retaining wall installation, backfilling and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Alfred Street North, between Mount Street and Whaling Road	Pavement installation, footpath installation, utility installation, excavating, hammering, sawcutting, concrete installation, asphalt installation, backfilling and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway northbound lanes, between Ridge Street and Falcon Street	Pavement installation, concrete installation, drainage installation, Intelligent Transport Systems (ITS) installation, excavating, hammering, linemarking, asphalting, and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway northbound lanes, between Mount Street and Falcon Street	Pavement installation, concrete installation, barrier installation, excavating, hammering, asphalt installation, linemarking, and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway southbound lanes, between Mount Street and Ridge Street	Pavement widening work, concrete installation, asphalting, sawcutting, barrier removal work, linemarking, excavating, hammering, and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway northbound lanes, between High Street and Mount Street	Pavement installation, drainage installation, sawcutting, excavating, hammering, concrete installation, asphalting, linemarking, and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway reversible lanes, between High Street and Mount Street	Excavating, drainage installation, barrier installation work, concrete installation, hammering, and compacting	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Pacific Highway northbound lanes, and Warringah Freeway northbound lanes, between High Street and Lavender Street	Pavement widening work, sawcutting, barrier removal work, linemarking, concrete installation, asphalting, excavating, hammering, and compacting	10pm Friday 15 August to 6pm Sunday 17 August 2025

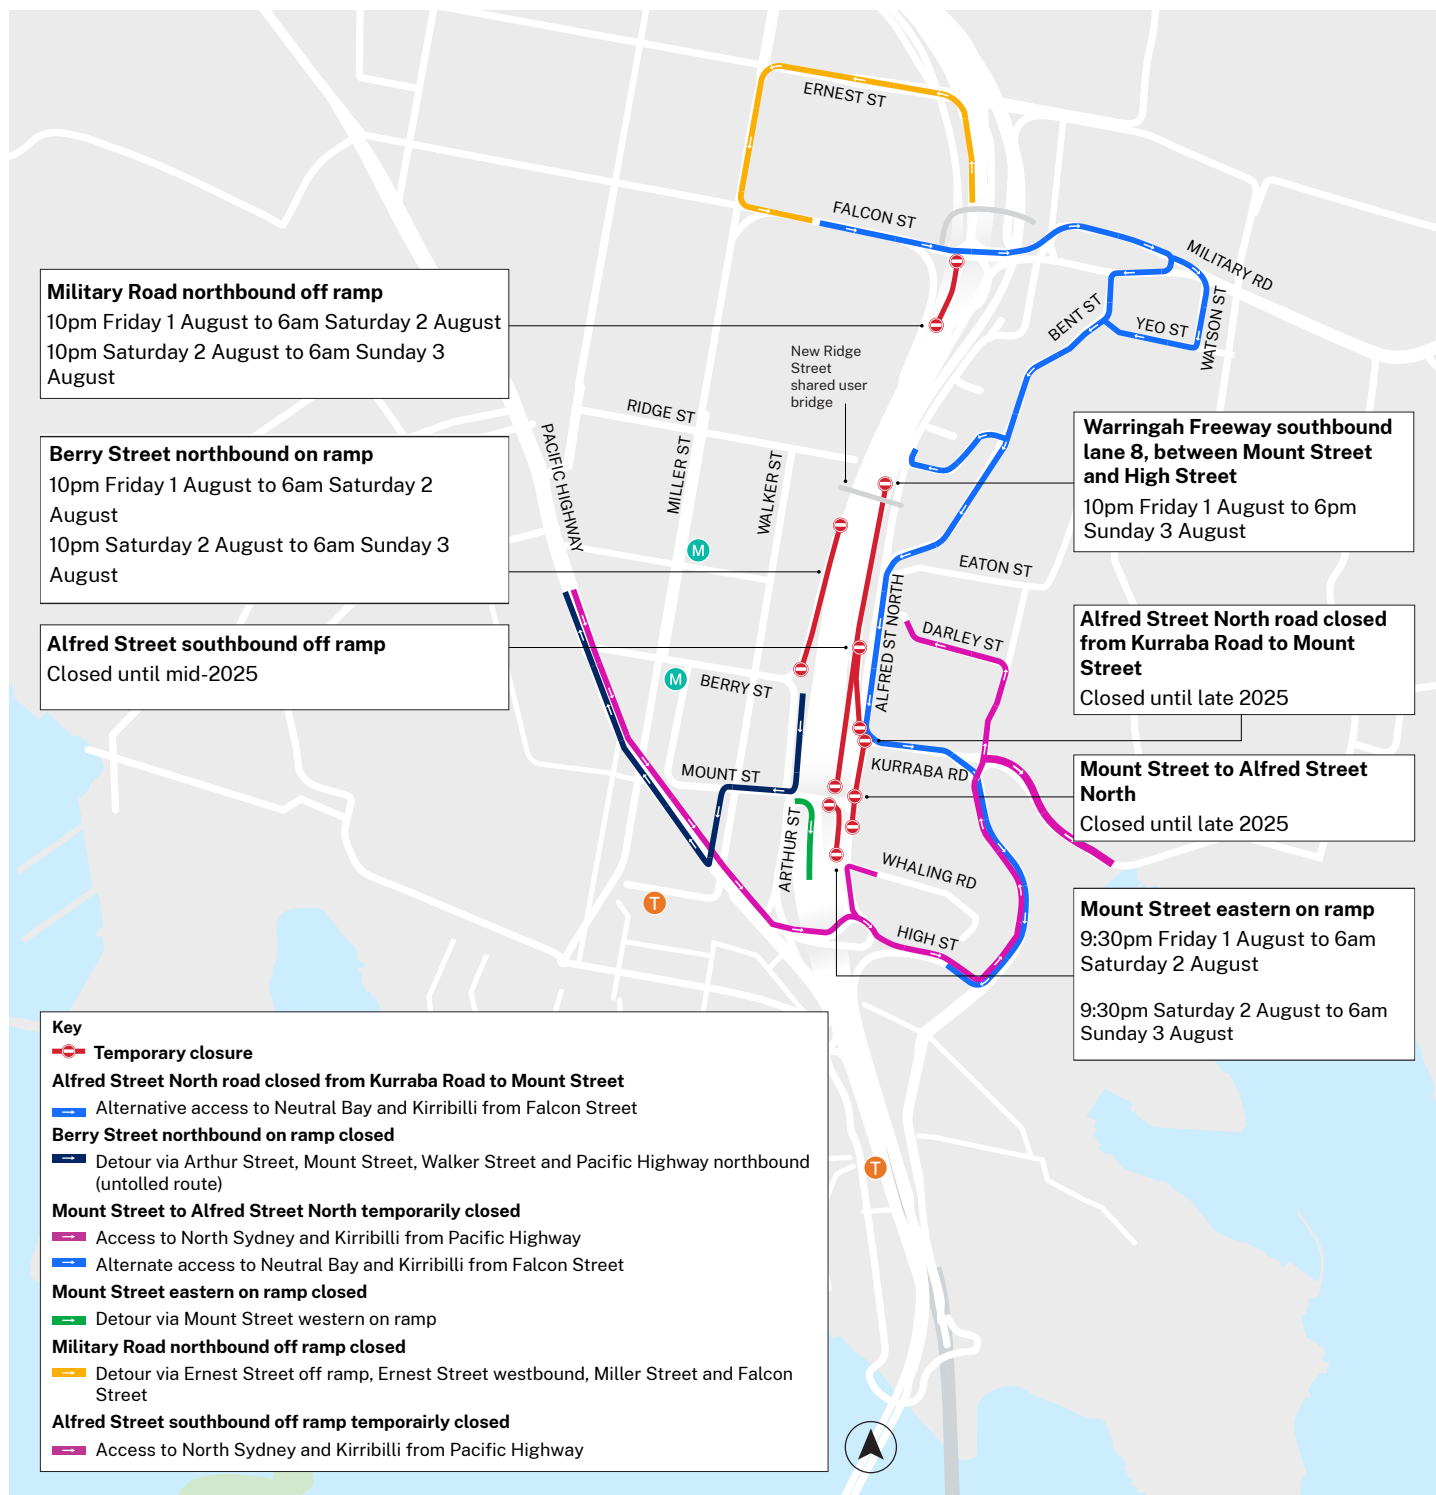

Area	Work location	Work activities	Work date
	Warringah Freeway northbound lanes, between Berry Street and Ridge Street	Pavement installation, concrete installation, asphaltting, excavating, hammering, sawcutting, linemarking, barrier installation and removal, and compacting	10pm Friday 15 August to 6pm Sunday 17 August 2025
	High Street bridge and new High Street northbound on ramp	Bridge deck construction and panel installation work	10pm Friday 1 August to 6pm Sunday 3 August 2025 10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway southbound lanes, between Ridge Street and Bent Street	Excavation, Intelligent Transport Systems (ITS) installation, hammering, sawcutting, concrete installation, and compacting	10pm Friday 15 August to 6pm Sunday 17 August 2025
	Warringah Freeway southbound lanes, between Ridge Street and Winter Avenue	Excavation, drainage pit and pipe installation, hammering, sawcutting, concrete installation, and compacting	10pm Friday 15 August to 6pm Sunday 17 August 2025

Table: Night work activities from 10pm Friday 1 August to 6pm Sunday 3 August 2025, and 10pm Friday 15 August to 6pm Sunday 17 August 2025

Temporary traffic changes: 10pm Friday 1 August to 6pm Sunday 3 August 2025

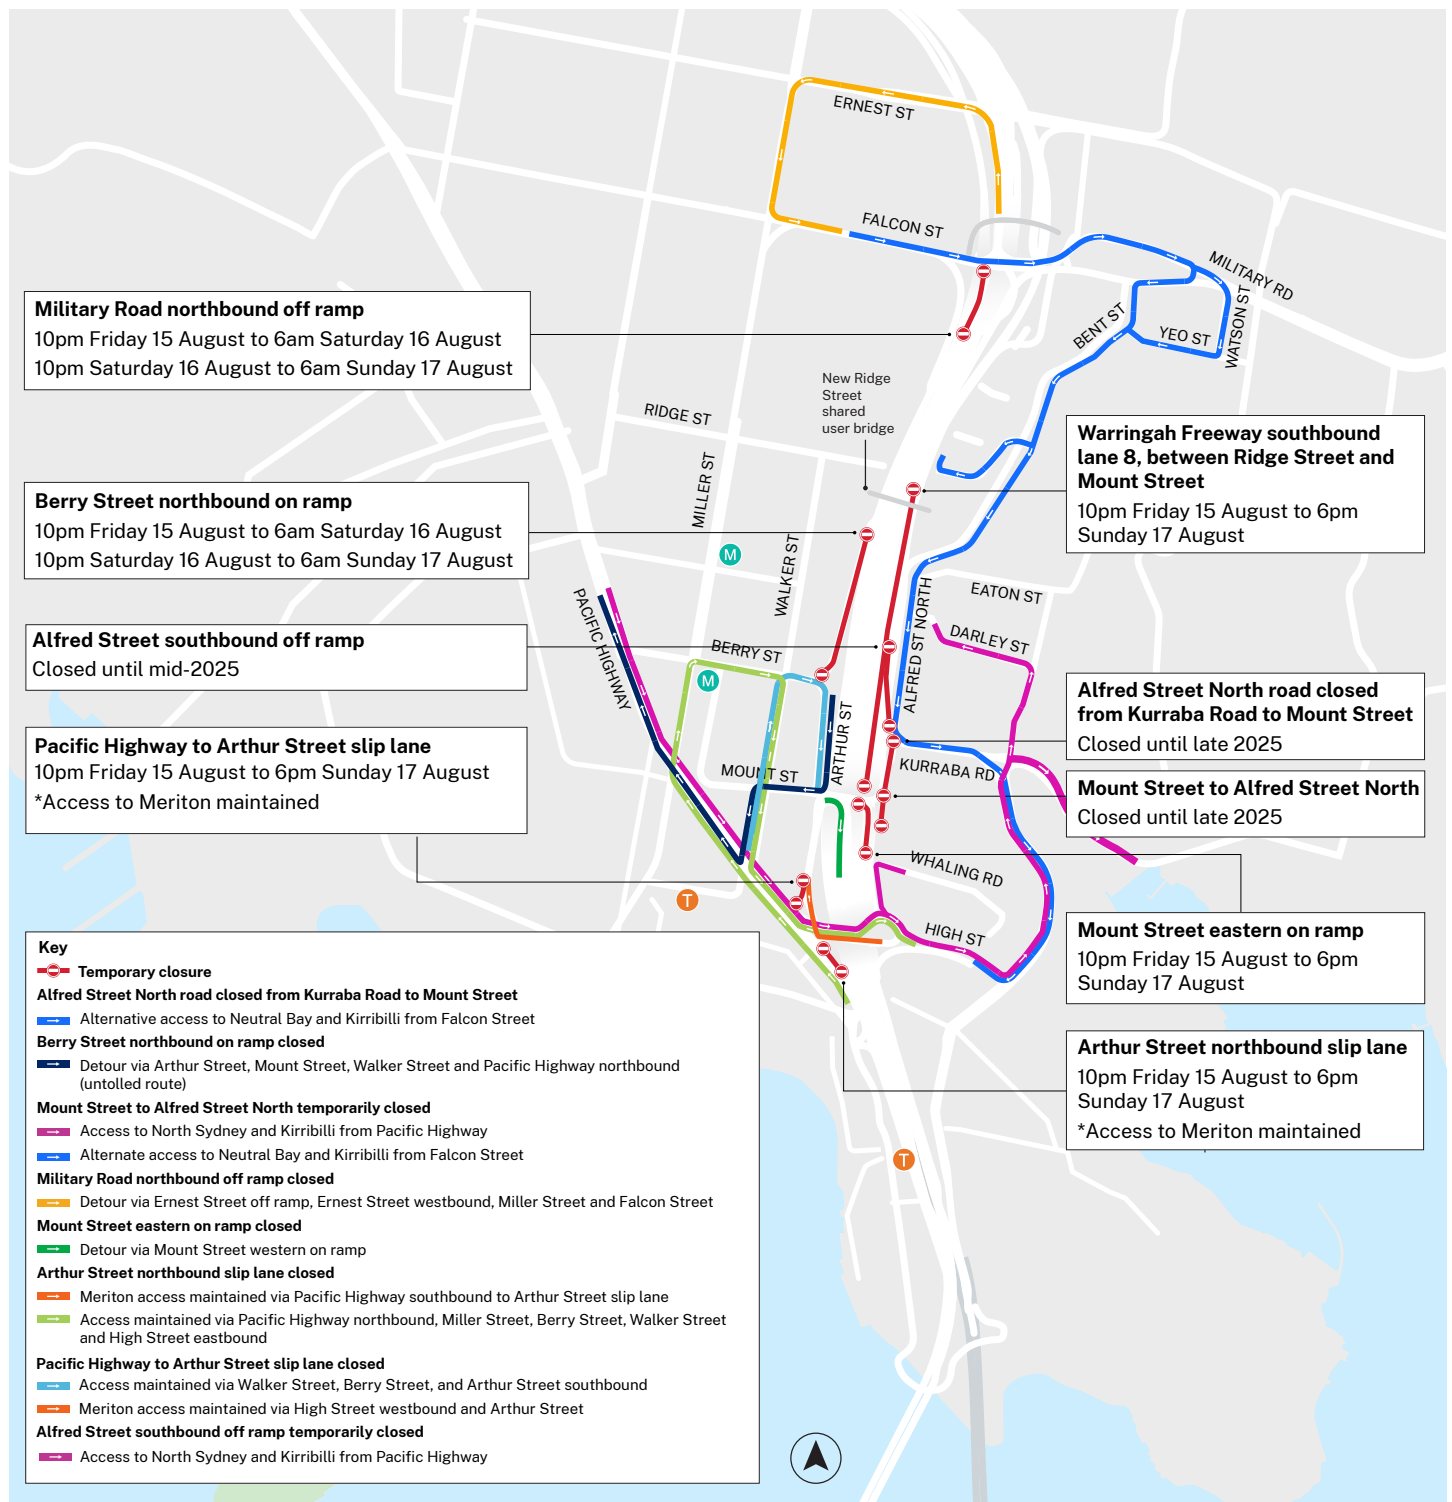

Temporary traffic changes

Please note, the traffic arrangements shown on this map, including dates and times are subject to change depending on the weekend of work, and due to road network requirements and weather conditions. We will update the traffic changes once confirmed. Please always visit [LiveTraffic.com](https://www.livetraffic.com) for the latest information or scan the QR code.

Managing our impacts and extended weekend work

Some of the work activities will require the use of machinery that generates noise, light, and vibration. We implement extensive controls to ensure any noise impacts are mitigated as much as possible.

To minimise the impact of this work we will:

- turn off machinery when not in use
- use acoustic blankets to minimise noise, where practicable
- direct temporary lighting down and away from properties
- fit equipment with devices to minimise noise, particularly non-tonal reversing beepers.

Our standard Environmental Protection Licence (EPL) conditions permit us to work up to three nights per week and up to ten nights per month, with no more than two consecutive nights of high noise work. We have been granted a temporarily altered EPL in instances where extended work shifts can provide benefits to the community, such as substantially reducing the duration of time it takes to complete a work activity, or when the work cannot be completed during single night work shifts.

The temporarily altered EPL condition allows us to work on consecutive noisy nights during extended weekend shifts usually from 10pm Friday until 4.30am Monday. The altered condition will continue to allow work on no more than ten nights per month in each work location.

During the extended work, we will make productive use of the lower traffic volumes to set up road closures and complete as much work as we can over the weekend, expediting the overall project work schedule.

If you have any comments you would like to provide on the planned work activities, or if you have personal circumstances you need to discuss with us, we would like to hear from you. You can contact us at **1800 931 189** or by emailing **whtbl@transport.nsw.gov.au**.
