
Appendix D

Supplementary cultural values information

D.1 Co-design workshops and initial view-line summary

During initial briefings of identified key Aboriginal individuals and organisations (*Chapter 4 (Aboriginal consultation)*), information on cultural and intangible values was sought. This resulted in a co-designed approach with these individuals and organisations who advised EMM Consulting Pty Limited (EMM) of specific methods and attendees that they wanted involved in these activities to further understand these issues.

This section has been redacted from this report due to culturally sensitive information.
