## Out of hour works – steel installation on Wilde Avenue

Construction activity is ongoing at the Powerhouse Parramatta project site. Work is progressing and night works are required to safely install steel on the eastern side of the site, adjacent to Wilde Avenue in Parramatta.

### Key dates

From Monday 18 March to Thursday 28 March 2024 (weather depending)

### Location

Wilde Avenue, Parramatta

### Out of hours work

From **Monday 18 March to Thursday 28 March 2024 (with the possibility of another 2 weeks weather dependent)**, work will start to install steel exoskeleton on the eastern side of the Powerhouse Parramatta project site, adjacent to Wilde Avenue. This work is required to be undertaken at night for safety reasons due to the proximity of the work location to the existing adjacent footpath and road.

General night hours will be from **7pm to 5am, Sunday to Thursday**. Please note there will be no night works on Friday or Saturday nights or on public holidays.

Activity each night shift will involve:

- Establishing machinery on Wilde Avenue within the exclusion zone
- Use of a tower crane to lift steel into place
- Use of equipment to fasten bolts to secure the steel structure.

At the end of each night shift, the road and footpath will be returned to existing arrangements.

## Traffic and pedestrian management

Pedestrian and vehicle access on Wilde Avenue will be maintained at all times. During each night shift, pedestrians and vehicles will be diverted to the eastern side of Wilde Avenue.

Traffic control will be in place to manage these temporary changes on Wilde Avenue throughout each night.

## Health and safety

All effort will be made to minimise noisy activities, with a focus on completing noisier activities as early in each shift as possible.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

## Construction hours

These out of hours work will take place between 7pm to 5am, from Monday 18 March to Thursday 28 March 2024.

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 5pm.
