

Master Plan 2027: Submissions

Have your say on Melbourne Airport's draft Master Plan 2027

Melbourne Airport is Australia's largest 24-hour gateway. As Melbourne grows, we're planning for a more connected airport that supports the needs of passengers, businesses and the wider community.

The draft Master Plan 2027 outlines how Melbourne Airport could evolve over the next 20 years. It includes information on a range of topics, such as future passenger growth, transport connections, terminal and airfield capacity, Victoria's economy, sustainability, accessibility and potential impacts on surrounding communities.

Why make a submission?

Your feedback can help shape how we plan for the future of Melbourne Airport. Making a submission is an opportunity to share what matters to you, from how the airport grows and how people travel to and from the airport, to environmental considerations and potential impacts on nearby communities.

How can I make a submission?

Online: melbourneairport.com.au
Email: masterplan2027@melair.com.au
Mail: Head of Planning
Melbourne Airport
Locked Bag 16
TULLAMARINE VIC 3043

What happens to my submission?

We will read and consider every submission received during the consultation period. Your feedback will help us understand what matters to the community before the draft Master Plan is finalised and sent to the Federal Government for consideration. Your submission will also be provided to the Federal Government as part of this process.
