

New Sydney Fish Market

Community update

December 2022

11kV Feeder Power Upgrade

The NSW Government is delivering a new Sydney Fish Market which will retain its authentic experience and strengthen its position as one of Australia’s leading tourist destinations.

Multiplex is currently undertaking works to upgrade the power supply for the new Sydney Fish Market. This work involves trenching and installing conduit and cabling along a 1.8km route from Lyons Road in Camperdown to the site in Bridge Road, Glebe (see map over the page).

Key dates

Sunday 18 December – Thursday 22 December

Location

Bridge Road, Glebe

Fortnightly works update: Sunday 18 December – Thursday 22 December 2022

Upcoming works will include saw cutting the top layer of pavement, followed by trenching, duct installation and temporary pavement restoration. To minimise community impacts, the most noisy work will be undertaken prior to 12:00am and work will be undertaken in each zone for a maximum of two nights per week (see zoned map below).

With the festive season approaching, the 11kV power upgrade team will take a break over the Christmas and New Year period from 23 December-3 January.

Works schedule – week commencing 18 December

Date	Time	Where (approximate locations)
Sun 18 – Mon 19 Dec	Night works 6pm-5am	Zone 2 – Bridge Rd near Ross St
Tue 20 - Wed 21 Dec	Night works 6pm-5am	Zone 3 – Bridge Rd near Gottenham Ln
Thu 22 Dec	Night works 6pm-5am	Zone 1 – Lyons Rd near Purkis St

Please note work schedules may change due to weather, conditions, and authority approvals.

Hours of work

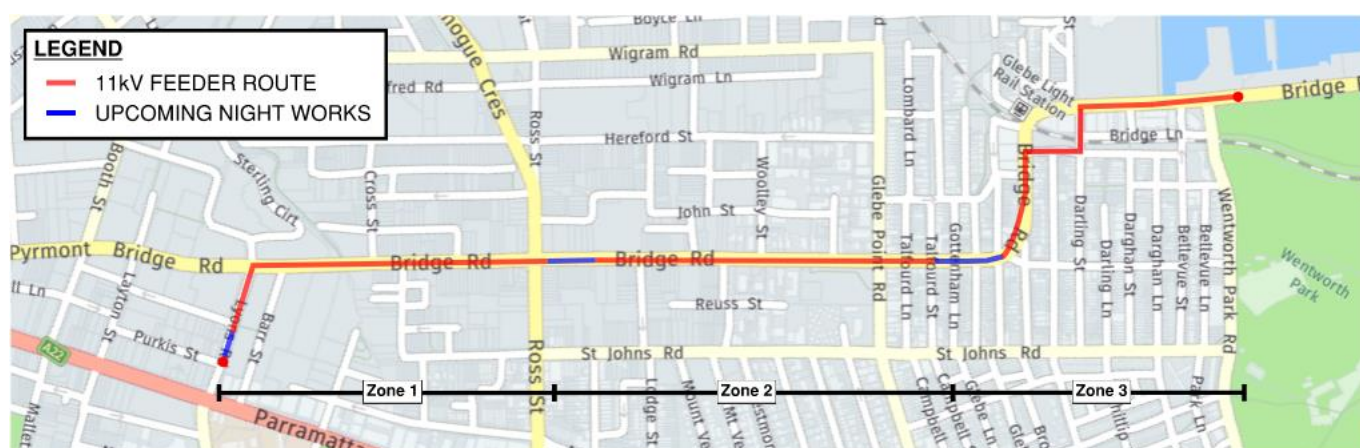

Working hours will be mainly at night and will start after 6:00pm to 5:00am, Sunday to Friday. Please note the hours and start time of each shift will depend on approvals. Works are being undertaken at night to minimise the impact on traffic and pedestrian movement.

New Sydney Fish Market

Location of Work – 18-22 December

The approximate location of work zones is indicated on the map below.

Note: Work zones are subject to change without notice.

What to expect

Work zones will be clearly delineated, with traffic control in place to safely guide vehicles, cyclists, and pedestrians around the work zone. Regular traffic conditions and pedestrian access will be restored at the end of each shift.

Bus routes will be maintained with limited relocation of bus stops around work zones when necessary.

Some kerbside parking spaces may be unavailable during the work however driveway access will be maintained.

We understand the impacts this may cause to the local community and thank you for your understanding during this work.

All required road occupancy licences, permits and approvals have been granted.
