Out-of-hours work on Wilde Avenue

Construction activity continues at Powerhouse Parramatta. Night works are required to safely construct a new driveway on the eastern side of the site, on Wilde Avenue.

Out-of-hours work

On the evening of **Friday 12 September 2025** (weather and site conditions permitting), works will take place on the eastern side of the site adjacent to Wilde Avenue to enable the construction of a new driveway. Due to the closeness of the work area to the existing footpath and road, this work is required to be undertaken at night for safety reasons.

Work is scheduled to occur overnight between 7pm on Friday 12 September until 5am on Saturday 13 September 2025 (weather and site conditions permitting). This work is planned for one night only.

If the scheduled work does not proceed on Friday 12 September, the work will be undertaken on the evening of **Monday 15 September 2025**.

Activity will include:

- establishing an exclusion zone on Wilde Avenue
- use of a forklift to move the water filled barriers
- use of heavy vehicles and hand compaction tools to form the base of the new driveway.

The road and footpath will be returned to existing arrangements once the works are complete.

Traffic and pedestrian management

Pedestrian and vehicle access on Wilde Avenue will be maintained at all times and will be diverted to the eastern side of Wilde Avenue. She r

The traffic lights at the intersection of Wilde Avenue and Phillip Street will not be in use during the hours of work, with traffic control in place to manage these temporary changes on Wilde Avenue.

Health and safety

These works are not expected to generate excessive noise. Every effort will be made to minimise disruption for local residents, with noisier tasks – such as forklift operation – scheduled for earlier in the shift to minimise impact.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

Construction hours

These out-of-hours works will take place between **7pm and 5am for one night**.

All other construction activities will be carried out during the approved construction hours:

Key dates

7pm Friday 12 September
2025 until 5am Saturday
13 September 2025
(weather and site
conditions permitting)

Location

Wilde Avenue, Parramatta

Powerhouse Parramatta
