

MINUTES

North Sydney Tree Replacement Working Group

Date	29 November 2023
Time	10am-11am
Venue	North Sydney Council (NSC)
Participants	NSC representatives Western Harbour Tunnel (WHT) and Warringah Freeway Upgrade (WFU) representatives from Transport for NSW (TfNSW)

Summary of issues discussed

- Update on engaging arborist consultant process.
- Agreement that tree replanting plans need to complement NSC's own Master Plans for area.
- Planting opportunities and constraints along road medians and edges.
- Update on scope development.
- Planning around species availability and stock sourcing. Included discussion of stock size preferences.
- Agreement to invite other project representatives who have carried out large-scale replanting programs to share lessons learnt.
- Noted community engagement process to be developed in the future to assist with tree replanting planning.
- Update on tree inspections at Cammeray golf course.

Next meeting: Wednesday 28 February November 2023
