

M12 Motorway Early Works – Out of Hours Work for Electrical relocation along Elizabeth Drive, Badgerys Creek

Transport for NSW has contracted Ausconnex to relocate the electrical network along Elizabeth Drive in Badgerys Creek, as part of its early works program outlined in the previous September community notification.

To facilitate this work, Ausconnex needs to relocate an existing transmission power pole on the southern side of Elizabeth Drive (in front of the airport site).

The pole relocation works will take place on **Wednesday 24, November 2021** weather permitting. Works will take place between the hours of **7pm** and **5am**. There will be some noise as well as traffic changes on Elizabeth Drive associated with this work.

How will the work affect you?

Access for local residents will be maintained during the works, however residents may experience some delays so please allow extra travel time.

The work will involve motorised plant and equipment including a truck lifter borer and an elevated work platform, and some light vehicles.

Please adhere to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the **Live Traffic NSW App**.
