Hi s22

Great to meet you today. Interesting to hear about all the recent moves and plans around rail, and potential areas of mutual value and interdependencies around HSR.

As discussed I'm in Melbourne on Tuesday 25<sup>th</sup> and Wednesday 26<sup>th</sup>. Would love to meet you and s22(1)(a)(ii), if you or your EA are able to share a few times that could work? Be great to hear more about your overall program and your rolling stock supply chain. (Individually is fine if better for diaries etc). Would appreciate also an introduction to your senior contact at the level crossing project as you flagged? Many thanks and hope to meet in person soon,

Hi s22(1)(a)

Thanks for taking the time to meet last week to discuss the HSR Product Definition Report (PRD). It was a pleasure to engage with you and your team.

As discussed, we will arrange a follow-up meeting in the coming weeks to continue our discussion. Could you please suggest a suitable time for a meeting before the end of July?

Additionally, it would be helpful if you could nominate an interface manager from your team for us to work with going forward.

In the meantime, please find attached the slides presented during our session. I have also included some further information about the PDR and the proposed engagement topics we will be focusing on over the coming months.

**Proposed Engagement Topics**

Over the coming months, we propose to engage on the following topics:

Please let me know if you need any further info you may need to brief up at your end, or if there is any additional areas you believe should be included in our discussions.

If helpful, we could also look to have s22(1)(a)(ii) and s22(1)(a)(ii) brief your MO. Let s22(1)( ) know if you'd like to progress this.

Looking forward to catching up again before the end of the month, and working closely over coming months.

Hi s22(1)(a)(ii) – thanks for your email and our recent meeting with the team from the HSRA.

It was very informative.

As is the first formal advice the Victorian Government has received about the Commonwealth’s high-speed project, it will enable us to brief up to our Secretary and Minister.

A next meeting in August might therefore be more appropriate.

In the meanwhile, please use myself and Tom C Wischer (who you met in our meeting) as your interface contacts.

Hi s22(1)(a)(ii)

Many thanks for sending through those times and dates for next week and apologies again for having to postpone this afternoon’s meeting at such late notice.

The closest time that works for us of those days/times is Wednesday 28 August from 1:30-2:30pm.

I know it wasn’t one of the times you sent through but we could also do 2:30-3:30pm on Tuesday 27 August.

Happy for you to send a new calendar invite out if one of the above times work. Grateful if you could include s22(1)(a)(ii), myself and s22(1)(a)(ii) [@transport.vic.gov.au](mailto:s22(1)(a)(ii)@transport.vic.gov.au).

If neither of those times work, we may have to look at September for availability.

Cheers
