

40km/h School Zone

St Peters Public School

August 2024

Transport for NSW acknowledges the Traditional Custodians of the Eora and Dharug nations on whose lands we work, and pays respect to Elders past and present.

The NSW Government is funding this project to improve safety for students.

Transport for NSW will extend the 40km/h school zone to include Campbell Street between Florence Street and Princes Highway at St Peters.

The school zone will extend from 10 metres east of Florence Street to 30 metres west of Princes Highway. This will improve safety for students and the local community.

We aim to complete this work by **Wednesday 14 August**, at which time the extended school zone will come into effect.

What work are we doing?

Transport will install school zone speed signs and road markings, as well as relocate flashing lights to improve the visibility of the school zone.

This work will occur at night on **Monday 12 August and Tuesday 13 August, between 8pm and 5am**, weather permitting.

How will the work affect you?

There will be temporary traffic changes to make sure the work zone is safe.

Temporary traffic changes will include shoulder and lane closures as well as a reduced speed limit for the safety of road users and our workers.

Our work may be noisy at times, but we will do everything we can to reduce the disturbance.

This will include:

- turning off equipment and vehicles when not in use
- using quieter equipment where possible.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Why are school zones important?

The 40km/h speed limit in school zones help protect children on their way to and from school during the busy times at the start and end of school days.

Lower speed limits reduce the risk of serious injury from a crash.

Motorists must limit their speed to 40 km/h through school zones between **8am to 9.30am** and **2.30pm to 4pm** on school days.

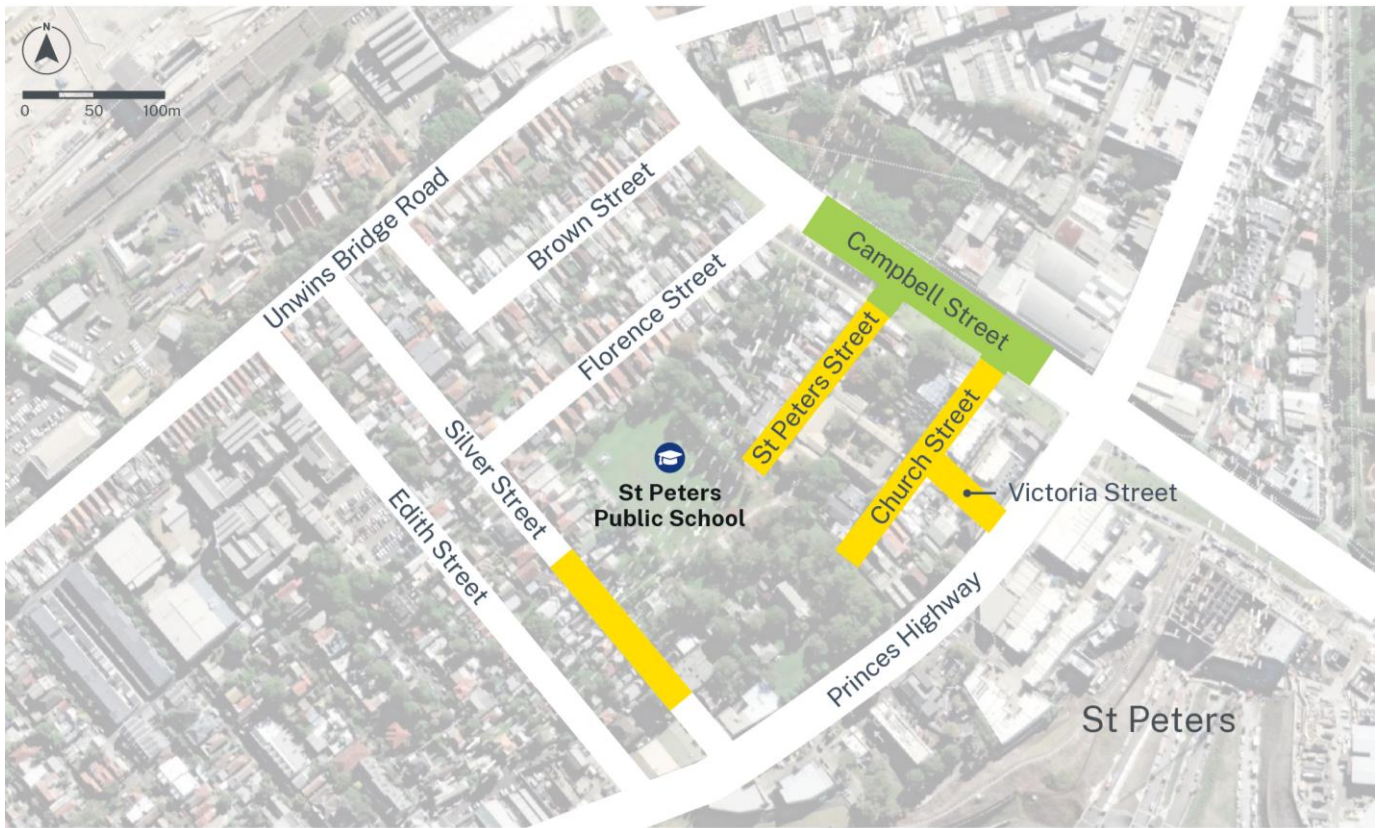

The school zone will be operational on all days which are not a weekend, a public holiday or a publicly notified school holiday for government schools.

Penalties may apply after the signs are installed.

Example of sign to be installed on Campbell Street
