## Out of hours works – finalisation of site accommodation in Dirrabarri Lane

### Key date

Thursday 7 September 2023  
for 1 night

### Location

Dirrabarri Lane, Parramatta

Construction activity is well underway at the Powerhouse Parramatta project site. Installation of overhead protective hoardings in Dirrabarri Lane are now complete. Minor works remain to complete the site accommodation.

## Out of hours work in Dirrabarri Lane

### Update of completed works

Installation of the structural steel overhead gantry in Dirrabarri Lane is now complete. Site accommodation has also been lifted on top of the gantry.

### Works to be completed

On **Thursday 7 September 2023** final works will take place to complete installation of services to the new site accommodation. A scissor lift will be used to lift workers up to the underside of the gantry to complete these works.

Due to the proximity of work to Phillip Street and Dirrabarri Lane, these works will be completed outside of standard construction hours, between **6pm and 10pm**.

### Traffic management

Throughout the works, pedestrian and vehicle traffic in Dirrabarri Lane will be maintained. Traffic control will be in place to manage movement.

### Health and safety

All effort will be made to minimise any potential noisy activities throughout the shift.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

### Construction hours

These out of hours work will take place between 6pm and 10pm.

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 1pm.

## New website

We have launched a new construction project website for Powerhouse Parramatta.

Learn more about the project's construction, design and fun facts, as well as your one-stop-shop for these works notifications and bimonthly community updates:
