

# Closures on M7 Motorway near Angus Creek, Rooty Hill

## M7-M12 Integration project

December 2024

We acknowledge the Dharug people of the Darug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The M7-M12 Integration project will support future development growth in Western Sydney by improving travel times and congestion. Once complete, the project will provide direct access to commercial and residential hubs, and the new Western Sydney International Airport.

### What work are we doing?

We will carry out bridge girder installation activities along the M7 Motorway at Angus Creek, Rooty Hill between **Tuesday 3 December** and **Tuesday 17 December 2024**, weather permitting.

Work will include:

- setting up traffic control
- delivery, mobilisation and demobilisation of plant, equipment and materials to site work areas
- lifting and installation of bridge girders.

### Our work schedule

This work will be carried out at night between **9pm** and **5am**, from **Monday** to **Friday**. We will not complete noisy work more than two nights in a row and three nights in a week or ten nights in a month in the same location.

### What equipment will be used?

We will use cranes, lighting towers, delivery trucks, light and heavy vehicles, trucks, elevated work platforms, hand and power tools, traffic control equipment and vehicles.

### Closures and traffic changes

For the safety of our workers and road users reduced speed limits, temporary lane, road and ramp closures will be required along the M7 Motorway, between **Mini Link Road** and **Power Street**.

- **M7 Motorway closure:**

M7 Motorway northbound closures will be required to facilitate this work. Detours may direct you on and off the M7 Motorway however you won't incur any additional toll charges. All travel lanes will remain open in the opposite direction.

- **Traffic changes:**

For heavy and oversized vehicles, traffic will be detoured via **M4 Motorway, Roper Road, Carlisle Avenue, Woodstock Avenue, Rooty Hill Road North** and **Power Street**.

For regular and light vehicles, road users can choose to utilise either detour route via

- **Mini Link Road, Wallgrove Road, Rooty Hill Road South, Eastern Road, Knox Road** and **Power Street**; or
- **M4 Motorway, Roper Road, Carlisle Avenue, Woodstock Avenue, Rooty Hill Road North** and **Power Street**

- **Shared User Path closure:**

The shared user path under the M7 Motorway at Angus Creek will be closed during these activities.

Please see maps over the page for detour routes.

Road users will be notified of traffic changes via variable message signs (VMS) and on-site signage.

During these activities, the speed limit will be reduced from **80km/h** to **40km/h**.

Traffic control will be in place to assist traffic safely around the work sites. Please keep to the speed limits and follow the direction of traffic controllers and signs.

Pedestrian and cyclist access on to the shared user path along the M7 Motorway will not be impacted.

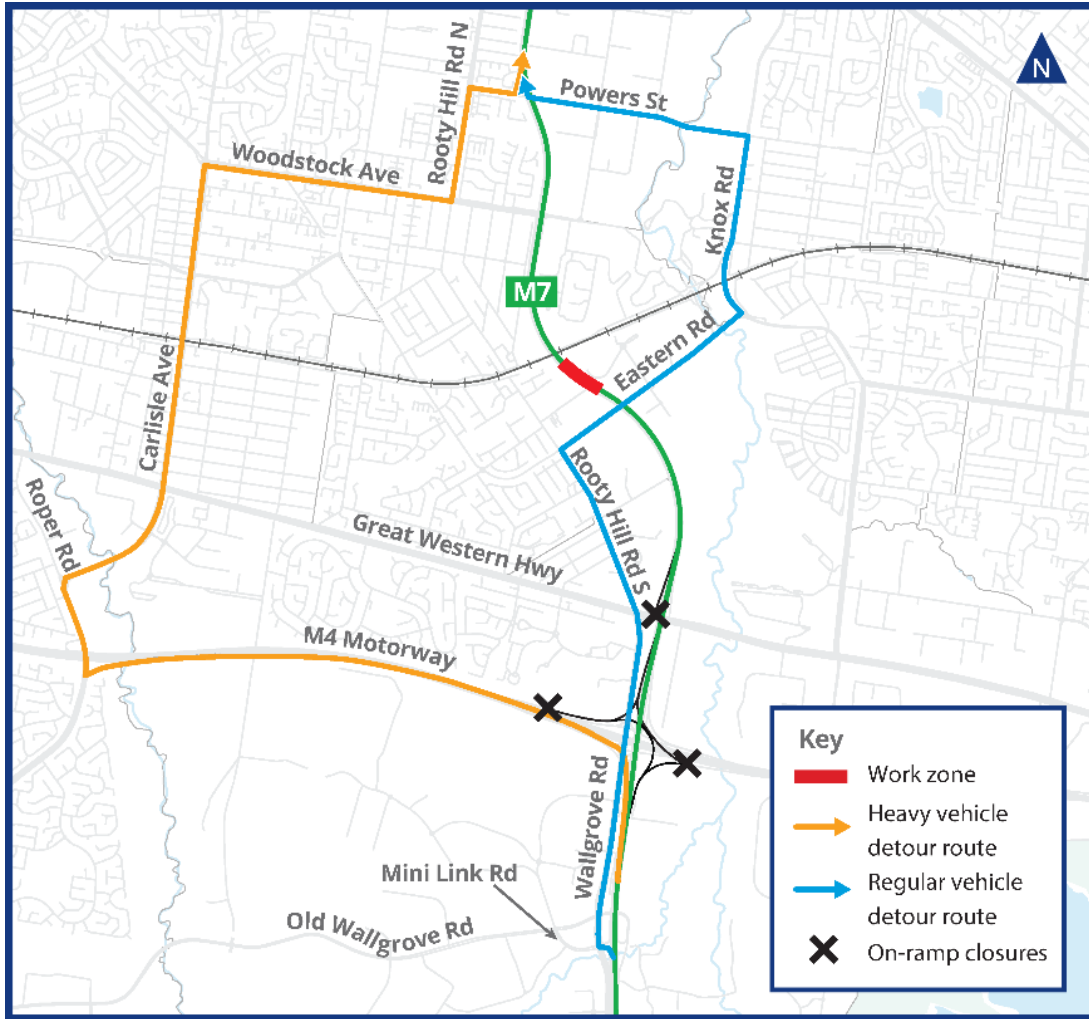

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com), download the Live Traffic NSW

app or download the Linkt app and switch on Road Alerts for M7 roadworks.

## Managing our impacts

This work will generate minimal noise. During our work you will see an increase in activity in the area as workers move around the site.
