

Monthly update – M6 Stage 1 Surface Works Finishing Scope

M6 Stage 1

March 2026

Transport for NSW acknowledges the Bidjigal, Dharawal, Gweagal and Gadigal clans of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

With major work for the M6 Stage 1 project now complete, we will be completing minor finishing works in early 2026.

When and where we'll be working

Our standard work hours are from **7am to 6pm, Monday to Friday and 8am to 6pm, Saturday**. We are approved to work out-of-hours from **6pm to 7am**, for up to three weeknights per week, no more than two consecutive weeknights and a maximum of 10 nights per month.

Out-of-hours work is scheduled to take place between **Monday 2 and Tuesday 31 March 2026**, on the following nights:

Zone East

- 4, 5, 11, 12, 18, 19, 25 and 26 March

Zone A East

- 4, 5, 11, 12, 18, 19, 25 and 26 March

Zone A West

- 2, 3, 9, 10, 16, 17, 23, 24, 30 and 31 March

Zone B

- 2, 3, 9, 10, 16, 17, 23, 24, 30 and 31 March

Zone C

- 2, 4, 5, 9, 11, 12, 18, 19, 25 and 26 March

West Botany Street and Bicentennial Park

- 2, 3, 9, 10, 16, 17, 23, 24, 30 and 31 March

Shared path: Bruce St to Bestic St

- 2, 3, 11, 12, 18, 19, 25 and 26 March

Shared path: Kings Rd to Bruce St

- 2, 3, 9, 10, 16, 17, 23, 24, 30 and 31 March

Shared path: Chuter Ave to Civic Ave

- 2, 3, 9, 10, 16, 17, 23, 24, 30 and 31 March

Please refer to map overleaf for location details.

If work is delayed due to weather or site conditions, it will be carried out on the next available night shift.

What work are we doing?

- Tunnel maintenance.
- Minor panel, handrail, lighting, and painting work on the pedestrian bridge over President Avenue.
- Footpath finishing works on President Avenue.
- Rectification work on Princes Highway, President Avenue, West Botany Street, and between Bestic Street and Chuter Avenue.
- Installation and activation of street lighting at Bestic Street, Civic Avenue, and Chuter Avenue.
- Removal of temporary construction measures, including fencing, hoarding, barriers, construction signage, and temporary lighting.
- Installation of regulatory parking and traffic signs.

Due to road authority restrictions, the following activities will be undertaken outside of standard working hours:

- Installation of permanent signage in Zones B and C on President Avenue and Princes Highway.
- Footpath finishing works on President Avenue.
- Asphaltting and road island removal works at Florence Street.
- Minor pile cap works on President Avenue.
- Adjustments to street lighting on President Avenue.

What will this mean for you?

Some bus stop locations will be temporarily unavailable. Please follow signage for alternative bus stop locations and allow extra time.

Road and lane closures around the work zone, temporary parking removal and pedestrian diversions may be in place to facilitate works. Traffic management will be in place to ensure the safety of workers and the community when working on or near live traffic.

Temporary changes to traffic may occur near our site gates on President Avenue.

The works may generate dust and moderate noise levels. We will manage dust by using a water cart and manage noise by using squawkers instead of

beepers on vehicles. We'll turn off equipment and vehicles when they are not being used. We use noise and dust monitoring to measure our impact to the local community.

Respite for one hour will occur every three hours during high impact activities. High impact work on Saturday will finish by 1pm.

Across the next three months, we are expecting to continue to conduct rectification work on an ad hoc basis. Consistent with works undertaken to date, this work may occur up to three weeknights per week, no more than two consecutive weeknights and a maximum of 10 nights per month. Work dates will be announced closer to the time of work.
