October 2025

Out of hour works – Inground Services Works on Wilde Avenue

Construction activity is ongoing at the Powerhouse Parramatta project site. Work is progressing and night works are required to safely fix an inground hydrant line adjacent to the project on Wilde Avenue.

Key dates

20 and 21 October 2025
(weather and site conditions permitting)

Location

Wilde Avenue, Parramatta

Out of hours works

On the evenings of **Monday 20 October 2025** and **Tuesday 21 October 2025** (weather and site conditions permitting), inground services works will take place to fix a hydrant line located inground on the western side of Wilde Avenue, adjacent to the Powerhouse Parramatta project. These works will take place near the intersection of Phillip Street and Wilde Avenue, between **7pm and 5am**.

This work is required to be undertaken at night for safety reasons, as the work area is adjacent to a footpath and road. Night activity will involve:

- establishing an exclusion zone and traffic plan on Wilde Avenue
- using equipment to carry out the works, including a vacuum truck, tipper, forklift and plate compactor.

The road and footpath will be returned to existing arrangements each night after the work is complete.

Traffic and pedestrian management

Pedestrian and vehicle access on Wilde Avenue will be maintained at all times. During each night shift, pedestrians and vehicles will be diverted to the eastern side of Wilde Avenue.

Traffic control will be in place to manage these temporary changes on Wilde Avenue throughout each night.

Health and safety

All effort will be made to minimise noisy activities, with a focus on completing noisier activities as early in the shift as possible.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

Construction hours

These out-of-hours works will take place between 7pm to 5am for two nights (weather and site conditions permitting).

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 5pm.
