Out of hours work – High Voltage Authority works adjacent to Wilde Avenue

Construction activity is ongoing at the Powerhouse Parramatta project site. Work is progressing and night works are required to safely install and test high voltage power on the eastern side of the site, adjacent to Wilde Avenue in Parramatta.

Key dates

From Saturday 7
December to Sunday 8
December 2024.

Location

Powerhouse Parramatta
construction site along
Wilde Avenue, Parramatta

Out of hours work

From approximately **2pm Saturday 7 December to 10am Sunday 8 December 2024**, Endeavour Energy will undertake high voltage installation and testing works on the eastern side of the Powerhouse Parramatta project site, adjacent to Wilde Avenue. This work is required to be undertaken overnight for safety reasons due to the proximity of the work location to the existing adjacent footpath and road.

Works will involve:

- establishing the work zones within the construction site
- movement of deliveries, truck and small machinery
- installation of electrical conduit and backfilling by a small excavator
- use of light towers on Wilde Ave.

Traffic and pedestrian management

Pedestrian and vehicle access on Wilde Avenue will be maintained at all times. During the night shift, pedestrians and vehicles will be diverted to the eastern side of Wilde Avenue.

Traffic control will be in place to manage these temporary changes on Wilde Avenue throughout the night.

Health and safety

All effort will be made to minimise noisy activities, with a focus on completing noisier activities as early as possible.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

Construction hours

These out of hours work will take place between approximately 2pm Saturday 7 December to 10am Sunday 8 December 2024.

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 5pm.
