

Upcoming weekend work and temporary traffic changes, North Sydney & Neutral Bay

Warringah Freeway Upgrade
September 2025

Transport for NSW acknowledges the Cammeraygal people of the Eora nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

In October 2025, we will be continuing consecutive weekend day and night work along the freeway and intersections in North Sydney and Neutral Bay, to speed up the work programme and reduce our overall impact to the surrounding community.

Please refer to map 1 on page 2 and table 1 on page 3 for more information about the work areas and work activities taking place in October 2025.

Where

Warringah Freeway between between Milson's Point and Falcon Street, North Sydney.

When

10pm Friday 3 October to 6pm Sunday 5 October

10pm Friday 17 October to 6pm Sunday 19 October

10pm Friday 31 October to 6pm Sunday 2 November.

High noise impacts and potential vibrations are expected during the upcoming weekend work. The exact impacts will depend on the proximity of your property to the work area. High noise work includes saw-cutting, rock-breaking, hammering, piling, demolition, road pavement work.

Scan and plan

Scan the QR code to view our dedicated weekend work page and stay up to date with the latest information about our weekend work and temporary traffic changes. We will update this page regularly as we progress with any changes to the work, traffic arrangements and road closures.

Throughout the above weekends, multiple ramp and lane closures will be in place in North Sydney and Neutral Bay. Motorists are advised to expect delays, plan ahead and allow additional travel time.

Fast facts: Community benefits of working consecutive weekends

Improving construction productivity and ultimately shortening the time our project impacts the community.

Reducing the amount of overall noisy night shifts required by the project.

Reducing traffic impacts during peak periods by completing work when the traffic volumes are lower.

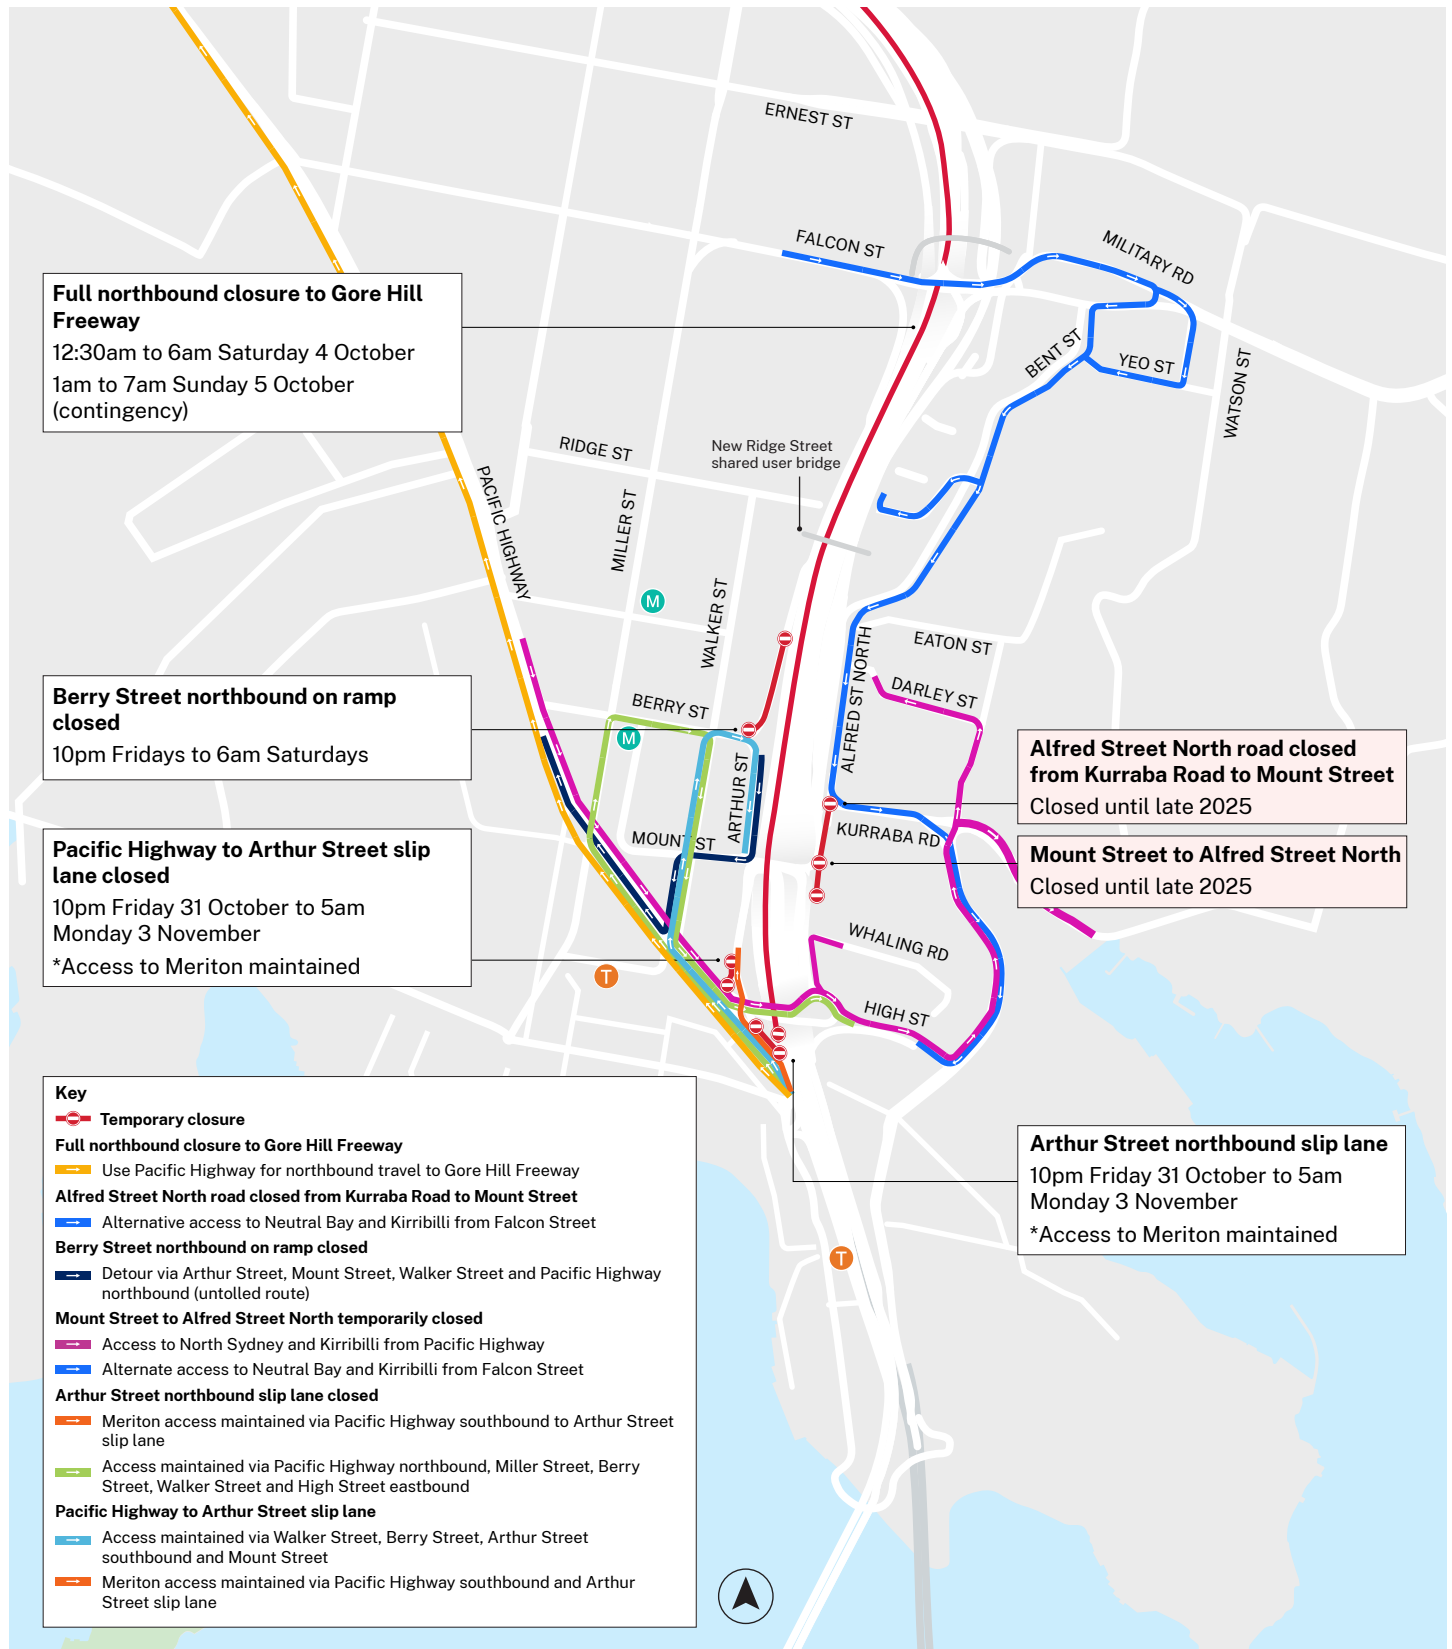

What work are we doing?

Map: Weekend work activity locations during October 2025.

Area	Work location	Work activities	Work date
	High Street and Arthur Street intersection	Removing and reinstating road pavement, relocating barriers, installing signage and street lighting, trenching, installing drainage and services, concreting, excavating, hammering, drilling, sawcutting, backfilling and compacting, asphaltting and linemarking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Warringah Freeway northbound and reversible lanes, between Mount Street and Falcon Street	Removing and reinstating road pavement, relocating barriers, installing signage and street lighting, trenching, installing drainage and services, concreting, excavating, hammering, drilling, sawcutting, backfilling and compacting, asphaltting and linemarking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Miller Street and Falcon Street intersection	Removing and reinstating road pavement, relocating barriers, installing signage and street lighting, trenching, installing drainage and services, concreting, excavating, hammering, drilling, sawcutting, backfilling and compacting, asphaltting and linemarking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Freeway northbound lanes between Fitzroy Street and Mount Street, and Pacific Highway	Removing and reinstating road pavement, relocating barriers, installing signage and street lighting, trenching, installing drainage and services, concreting, excavating, hammering, drilling, sawcutting, backfilling, compacting, asphaltting and linemarking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Northbound inner (reversible lanes) between Berry Street and Ridge Street	Removing and reinstating road pavement, relocating barriers, excavating and installing drainage and services, backfilling, compacting, asphaltting and line marking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Warringah Freeway at Milsons Point	Signage gantry work, scaffold installation, junction box installation, cabling, and signage testing.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November
	Southbound inner lanes between Falcon Street and Ridge Street	Pavement work, sawcutting, relocating barriers, excavating and installing drainage and services, backfilling, compacting, asphaltting and line marking.	10pm Friday 3 October to 6pm Sunday 5 October
			10pm Friday 17 October to 6pm Sunday 19 October
			10pm Friday 31 October to 6pm Sunday 2 November

Temporary traffic changes

Temporary traffic changes

Please note, the traffic arrangements shown on this map, including dates and times are subject to change depending on the weekend of work, and due to road network requirements and weather conditions. We will update the traffic changes once confirmed. Please always visit [LiveTraffic.com](https://www.livetraffic.com) for the latest information or **scan the QR code**.

Managing our impacts and extended weekend work

Some of the work activities will require the use of machinery that generates noise, light, and vibration. We implement extensive controls to ensure any noise impacts are mitigated as much as possible.

To minimise the impact of this work we will:

- turn off machinery when not in use
- use acoustic blankets to minimise noise, where practicable
- direct temporary lighting down and away from properties
- fit equipment with devices to minimise noise, particularly non-tonal reversing beepers.

Our standard Environmental Protection Licence (EPL) conditions permit us to work up to three nights per week and up to ten nights per month, with no more than two consecutive nights of high noise work. We have been granted a temporarily altered EPL in instances where extended work shifts can provide benefits to the community, such as substantially reducing the duration of time it takes to complete a work activity, or when the work cannot be completed during single night work shifts.

The temporarily altered EPL condition allows us to work on consecutive noisy nights during extended weekend shifts usually from 10pm Friday until 4.30am Monday. The altered condition will continue to allow work on no more than ten nights per month in each work location.

During the extended work, we will make productive use of the lower traffic volumes to set up road closures and complete as much work as we can over the weekend, expediting the overall project work schedule.

If you have any comments you would like to provide on the planned work activities, or if you have personal circumstances you need to discuss with us, we would like to hear from you. You can contact us at **1800 931 189** or by emailing **whtbl@transport.nsw.gov.au**.
