

Noise wall construction along M7 Motorway near Dobroyd Drive

M7-M12 Integration project

April 2025

 **JOHN HOLLAND**

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

What work are we doing?

We will be working to construct a new noise wall along the eastern side of the M7 Motorway adjacent to **Dobroyd Drive, Elizabeth Hills.**

This work will take place from **Monday 28 April to Friday 31 October 2025**, weather permitting. For the safety of pedestrians, cyclists, and our workers, the M7 Motorway Shared User Path (SUP) will be closed for an initial four months from **Monday 28 April to Monday 1 September 2025**, with a detour in place. Work will include vegetation clearing, earthworks, site

establishment, piling, drainage works, concrete pours, delivery of plant and equipment, delivery and installation of concrete panels, painting and traffic control setup.

This work will be carried out during standard work hours between **7am and 6pm, Monday to Friday** and between **8am and 6pm on Saturdays.**

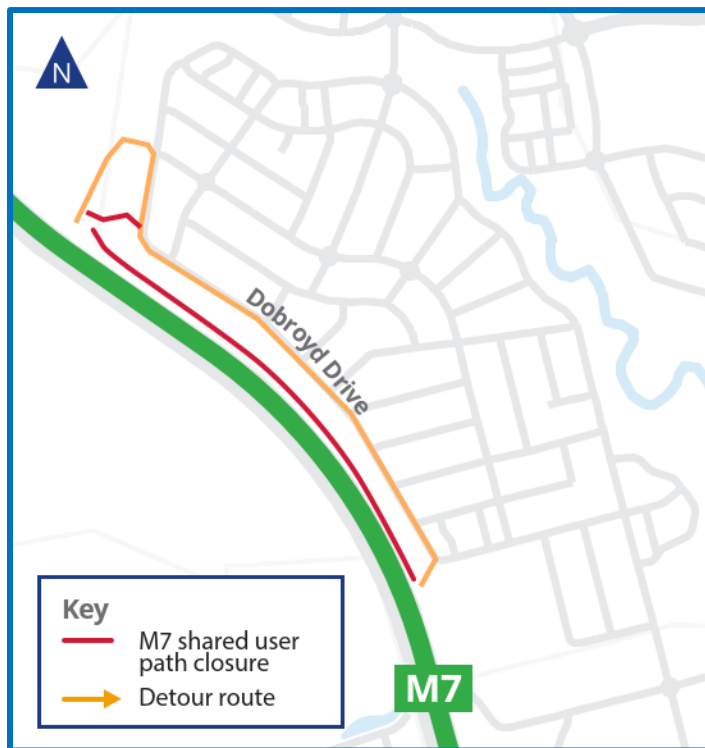

We will keep you informed as work progresses.

Please refer to map over the page for SUP closure location and detour route.
