

New Sydney Fish Market

Works notification

August 2023

Upcoming Night Works

Night works are required at **the intersection of Bridge Road and Wattle Street** to establish utilities infrastructure which will facilitate the future relocation of services underground as part of the new Sydney Fish Market project.

The work will involve pavement saw cutting, trenching and installation of utilities infrastructure, followed by backfilling and temporary pavement restoration. The map shows the location of the work.

Key dates

Commencing 28 August 2023

Location

Bridge Road, Glebe, near the intersection of Wattle St

Timeframe

This work will commence on 28 August and continue for approximately 4 weeks.

Respite will be provided by ensuring residents are not impacted by the work on more than two nights per week.

Authority approvals require this work to be undertaken at night between 7pm and 5am, to minimise traffic impacts and ensure the safety of all road users.

How will this affect you?

These works are expected to be noisy at times. We understand the impacts this may cause to the local community.

Measures to reduce impact of the works include:

- Night works will be limited to two nights per week to provide five nights per week respite for residents.
- Traffic control will safely guide vehicles, cyclists, and pedestrians around the work zone.
- The noisiest activities will be undertaken prior to midnight where possible, and measures to minimise noise will be implemented wherever possible.
- Regular traffic conditions and pedestrian access will be restored at the end of each shift.

Works schedule week commencing 28 August 2023:

Date	Time	Where
Mon 28 – Tue 29 August	Night works 7pm-5am	Bridge Rd & Wattle Street intersection
Mon 4 – Tue 5 September	Night works 7pm-5am	Bridge Rd & Wattle Street intersection
Mon 11 – Tue 12 September	Night works 7pm-5am	Bridge Rd & Wattle Street intersection
Mon 18 - Tue 19 September	Night works 7pm-5am	Bridge Rd & Wattle Street intersection

Please note work schedules may change due to weather, conditions, and authority approvals.
