

Construction notification

December 2023

Out of hours steel deliveries

Construction activity is well underway at the Powerhouse Parramatta project site. In 2024 large oversized steel deliveries will continue to arrive to site as the structure of the building progresses.

Key dates

From 3 January 2024 for approximately 12 months.

Location

Delivery via Gate 2 on Phillip Street

Out of hours steel deliveries via Phillip Street

Steel installation will form a critical part of the Powerhouse Parramatta project and deliveries will continue to arrive to site **from 3 January 2024** (when the project reopens for the new year) **for approximately 12 months.**

Deliveries will be made via Gate 2 on Phillip Street and exit via Gate 1 on George Khattar Lane. Due to the oversized nature of the steel, it is a requirement of Transport for NSW that deliveries of this size occur out of hours. Traffic control will be in place to support vehicle movements as required.

All works will be undertaken inside the site boundary.

Health and safety

There is no expectation for excessive noise during delivery and installation.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

Construction hours

Early morning deliveries for wide loads will occur between **3.30am and 6.30am**, up to 6 days per week (except Sunday). Trucks will be parked up until 7am for unloading.

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 1pm.

Powerhouse Parramatta

Over the holiday break

The construction site will be closed over the holiday period from Friday 22 December 2023 to Tuesday 2 January 2024 (inclusive). Works will resume in stages from Wednesday 3 January 2024.

Should you need to contact the project team during this time, the 24/7 community information line is 1800 574 931. Please note the Project inbox will be monitored intermittently.
