Tower crane 3 installation

Construction activity is well underway at the Powerhouse Parramatta project site. The next phase of construction involves the installation of the final free standing tower crane to assist with the movement of heavy materials on site. Each crane is crucial to operations on site as the project progresses.

Stage two

4 – 7 January 2023

Location

Delivery via Gate 2 on Phillip Street and Gate 1 on George Khattar Lane, Parramatta

Tower crane 3 delivery and installation

Tower crane 3 is scheduled to be established in two stages from Monday 12 December 2022 to Saturday 7 January 2023:

Stage one: Monday 12 December to Wednesday 21 December 2022
Deliveries, static base and tower installation

Stage two: Wednesday 4 January to Saturday 7 January 2023
Remaining crane and commissioning.

Deliveries will be made via Gate 2 on Phillip Street and Gate 1 on George Khattar Lane. It is a requirement of Transport for NSW that deliveries of this size occur out of hours. Traffic control will be in place to support vehicle movements.

All works will be undertaken inside the site boundary.

Please note this work may be rescheduled due to unforeseen circumstances of inclement weather.

Health and safety

There is no expectation for excessive noise during delivery and installation.

Strict environmental and planning controls are in place to manage noise, dust and vibration.

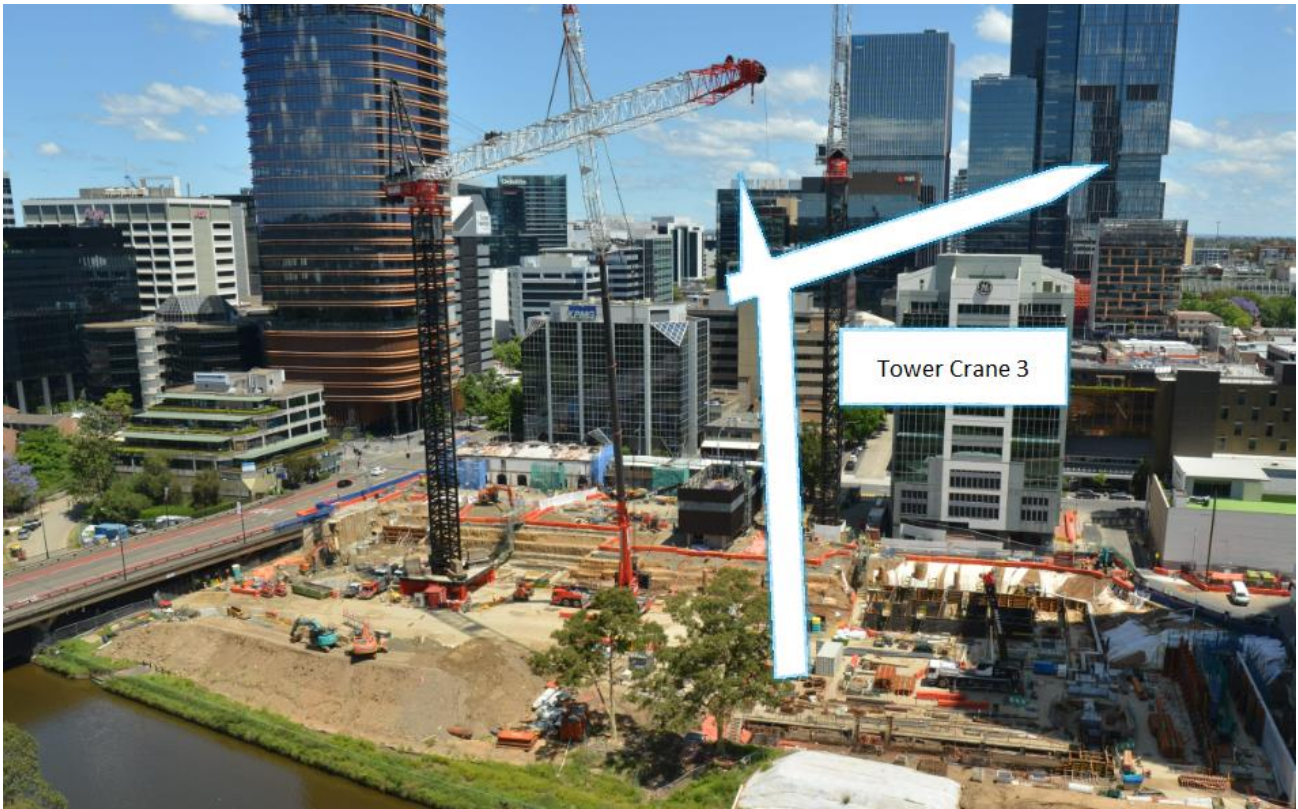

Construction hours

Early morning deliveries for wide loads will occur between 3:30am and 5:30am on all days (except Sunday). Trucks will be parked up until 7am for unloading.

All construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 1pm.
