

# Out of hours work on the M7 Motorway

## M7-M12 Integration project

April 2024

We acknowledge the Dharug people of the Darug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The M7-M12 Integration project will support future development growth in Western Sydney by improving travel times and congestion. Once complete, the project will provide direct access to commercial and residential hubs, and the new Western Sydney International Airport.

### What work are we doing?

Night work will continue from **Tuesday 2 April to Tuesday 30 April 2024**, subject to approval and weather permitting. Work will take place along the M7 Motorway including the median, ramps, bridges and in the adjacent M7 shared path between the M5 Motorway, Prestons and Richmond Road, Oakhurst/Glendenning at the following locations:

- Great Western Highway
- Austral Bricks Access Road
- Wallgrove Road
- Redmayne Road
- Woodstock Avenue
- Richmond Road
- Wilson Road
- Hoxton Park Road
- Saxony Road
- Cowpasture Road

- Villiers Road.

Work will include:

- geotechnical and service investigations
- vegetation clearing, topsoil removal and earthworks
- installing access gates, temporary pavement, and access road within the median
- bridge foundation work including site establishment, piling pads installation, piling, formwork and concrete pours for bridges located at Reedy Creek, Angus Creek, Great Western Highway, Villiers Road, Hoxton Park, Maxwell Creek, and Cabramatta Creek
- delivery of plant, equipment, and materials to site work areas
- traffic lane realignment, including reducing lane widths, line removal and marking
- removing and installing of temporary barriers
- installing safety barriers along the M7 motorway to establish work zones within the median and under the M7 Motorway bridges.

### Our work schedule

Our out of hours work hours are between **6pm** and **7am**, from **Monday to Friday morning** and **6pm Friday to 8am Saturday morning**. There will be no work on public holidays. We will not work more than two (2) nights in a row, three (3) nights

in a week and ten (10) nights in a month in the same location.

## What equipment will be used?

During our work we may use, vacuum excavation trucks, road saws, specialised ground penetrating equipment, cranes and lifting equipment, elevated work platforms, chainsaws, excavators, mulchers, compactors, watercarts, profilers, sweepers, light and heavy vehicles, lighting towers, dozers, scrapers, graders, slashers, smooth drum rollers, padfoot rollers, vibratory rollers, line marking trucks, water blasting machines, piling rigs, hand tools, power tools, concrete trucks, pumps and vibrators and traffic control equipment.

## Traffic changes

There will be temporary traffic changes including reduced speed limits, lane and ramp closures, and detours. Road users will be notified of temporary traffic changes via on-site signage.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

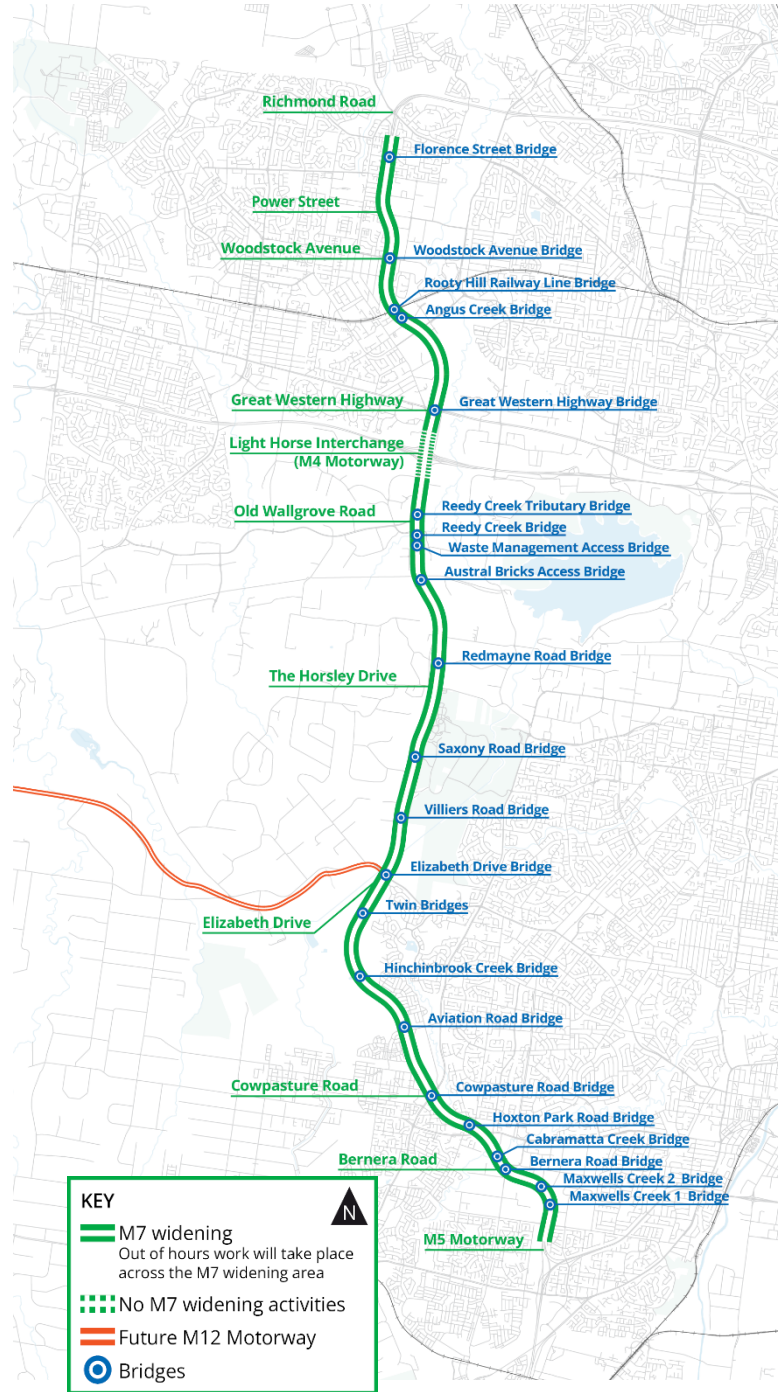

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.

## Managing our impacts

During our work you will see an increase in activity in the area as workers move around the site.

Some work close to residential properties may be noisy. Noise levels will vary between moderate to noisy and be similar to either a washing machine or a vacuum cleaner.
