About the Project

Gold Coast Light Rail Stage 3 (GCLR3) is a 6.7 kilometre extension of the light rail network from Broadbeach to Burleigh Heads and is funded by the Queensland and Australian Governments in partnership with City of Gold Coast. John Holland is GoldlinQ's chosen contractor to design and construct GCLR3. This city-shaping project will support more than 760 jobs and cater to the Gold Coast's expected population growth in the coming decades.

The *Love Your Local* campaign is delivered by design and construction contractor John Holland.

Five top tips to keep your business moving during construction

As a business owner, it's important to know what to expect, so you can plan ahead.

It is our priority to keep your business informed of any upcoming works to minimise disruptions to you whenever we can.
