

M6 Stage 1

Out of hours work on Princes Highway (between Kimpton Street and Bestic Street), Rockdale

June 2025

Transport for NSW acknowledges the Bidjigal, Dharawal, Gweagal and Gadigal clans of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

As part of the permanent power supply works for the M6 Stage 1 Project, work will be carried out along **Princes Highway (between Kimpton St and Bestic Street)**. Our planned out of hours dates for June are:

- 10, 11, 16, 17, 23, 24, 30 June and 1, 7, 8 July 2025
- Contingency dates: 18, 25 June and 2 and 9 July 2025

These dates are subject to change and please check our online portal for up to date information. Our approved out-of-hours for nightwork construction are 8pm to 5am.

For the safety of pedestrians, motorists and our workers, this work is required to be carried out during the night when there is less traffic on the roads.

What work are we doing?

Work will be completed in sections to complete the permanent road restoration. Activities will include saw cutting, excavation, concrete restoration, temporary asphalt and line marking. Permanent asphalt will be installed at a later date.

Our plant and equipment will include concrete saw, excavators, bogie, generator, paver, rollers, vacuum trucks, utility and tipper trucks, lighting towers and hand tools.

Location of work area

KEY  Work area (partial lane closure and temporary parking removal)  Parking will be temporarily removed to facilitate contra-flow

What will this mean for you?

This work will be noisy and cause dust and vibration. We will implement mitigation measures to help reduce the impact of this work on local residents.

Pedestrian access will be maintained around the work area. Please avoid parking any vehicles or trailers near areas where the reinstatement works are being carried out.

Temporary parking removal and changes to traffic conditions will be required around our work areas. Traffic control personnel will be on site to assist motorists and pedestrians while we're working.
