

New Sydney Fish Market

Community update

October 2022

11kV Feeder Power Upgrade

The NSW Government is delivering a new Sydney Fish Market which will retain its authentic experience and strengthen its position as one of Australia’s leading tourist destinations.

Multiplex is currently undertaking works to upgrade the power supply for the new Sydney Fish Market. This work involves trenching and installing conduit and cabling along a 1.8km route from Lyons Road in Camperdown to the site in Bridge Road, Glebe (see map over the page).

Key dates

Sunday 9 October – Friday 21 October

Location

Bridge Road, Glebe

Fortnightly works update: Sunday 9 October – Friday 21 October 2022

Upcoming works will include saw cutting the top layer of pavement, followed by trenching, duct installation and temporary pavement restoration. To minimise community impacts, the most noisy work will be undertaken prior to 12:00am and work will be undertaken in each zone for a maximum of two nights per week (see zoned map below).

Works schedule – week commencing 9 October

Date	Time	Where (approximate locations only)
Sun 9 – Mon 10 Oct	Night works 6pm-5am	Zone 1 – between Foss St & Ross St
Tue 11 - Wed 12 Oct	Night works 6pm-5am	Zone 2 – near Rosebank St
Thu 13 – Fri 14 Oct	Night works 6pm-5am	Zone 3 – Bridge Rd near Railway St

Works schedule – week commencing 16 October

Date	Time	Where (approximate locations only)
Sun 16 – Mon 17 Oct	Night works 6pm-5am	Zone 1 – near Ross St
Tue 18 - Wed 19 Oct	Night works 6pm-5am	Zone 2 –between Rosebank St & Glebe Point Rd
Thu 20 – Fri 21 Oct	Night works 6pm-5am	Zone 3 – Bridge Rd near Darling St

Please note work schedules may change due to weather, conditions, and authority approvals.

New Sydney Fish Market

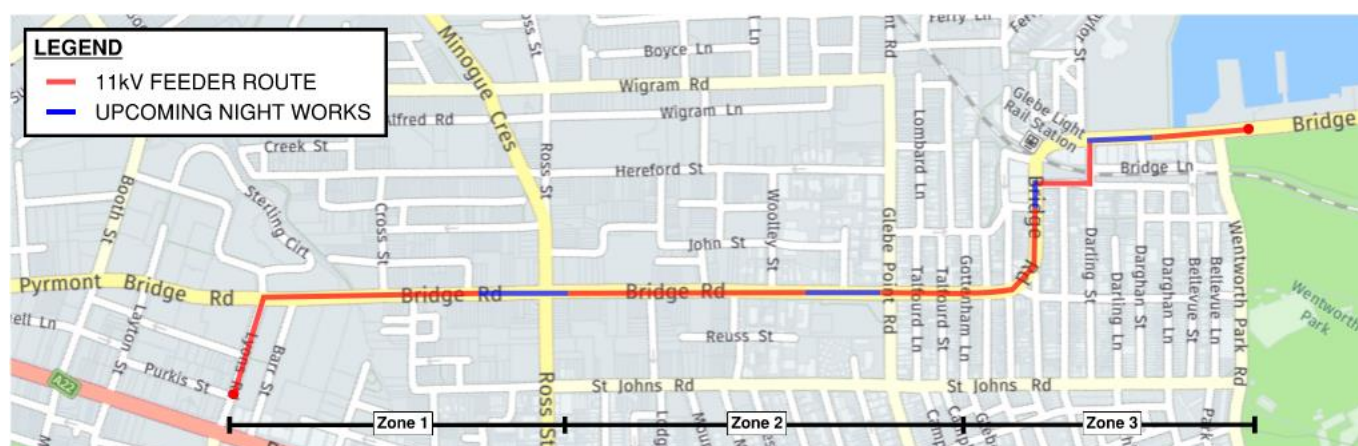

Hours of work

Working hours will be mainly at night between 6:00pm to 5:00am, Sunday to Friday. Works are being undertaken at night to minimise the impact on traffic and pedestrian movement.

Location of Work – fortnight commencing 9 October

The approximate location of work zones is indicated on the map below.

Note: This is an approximate representation and work zones are subject to change without notice.

What to expect

Work zones will be clearly delineated, with traffic control in place to safely guide vehicles, cyclists and pedestrians around the work zone. Regular traffic conditions and pedestrian access will be restored at the end of each shift.

Bus routes will be maintained with limited relocation of bus stops around work zones when necessary.

Some kerbside parking spaces may be unavailable during the work however driveway access will be maintained.

We understand the impacts this may cause to the local community and thank you for your understanding during this work.

All required road occupancy licences, permits and approvals have been granted.

More information

We are committed to keeping you informed and regular updates will be provided.
