

Science Tram Art Competition 2025

Call for entries

Attention all young artists

We want to see you explore all things construction, safety, light rail and other modes of transport!

Create a drawing, painting, collage, or digital artwork that highlights what you have learned about Stage 3 and the importance of safe travel for a chance to WIN one of four children's smart watches.

Scan the code for
more information or
visit **gclr3.com.au**.

The details

- Year 3 and 4 students from schools within 2km of the light rail Stage 3 alignment can enter
- As the program aligns with the school curriculum, students can complete their art in the classroom with the help of their teacher
- Students must complete their artwork using the official competition template
- Artwork will be displayed in an online gallery.
